By Marc Agronin, MD. One point I make in my book How We Age: A Doctor ' s Journey into the Heart of Growing Old (Da Capo Lifelong Books, 2011) is that there is no magic cure for aging – no pills, potions, or fountain-of-youth strategies that will restore our youth. But this fact does not mean that there isn ' t a lot we do, regardless of age, to improve both mental and physical well-being as we age and best capture all of the advantages of growing older.

Top Ten Tips on Aging Well - Marc Agronin MD
The End of Old Age (January 16, 2018) By Marc E. Agronin MD. In The End of Old Age: Living a Longer, More Purposeful Life Dr. Agronin examines the way we talk about age and provides a new rubric for our conversations. Steering away from " Fountain of Youth " delusions, Dr. Agronin introduces two new topics: Age points, which " expose a gap between the challenges or demands of a life event and our existing strengths, values, skills, and connections…and make us into more developed and ...
