from the simple to more intricate designs. Reprint.

This book was written for gourd artists looking to improve their skills with the mini jigsaw. With step-by-step guidance, supplemented by detailed instructional images for ten projects, gourd artists will be able to create everything from simple puzzles and jack-o-lanterns to lidded leaf bowls and luminaires. By working through these projects, artists will build their confidence in using the mini-saw to execute techniques such as cutting tighter lines, cutting through a tight curve, and cutting 90-degree angles. The exercises also emphasize tips on cleaning, coloring, and sealing gourds. The book includes an extensive inspirational gallery and resource section for those who aspire to even more advanced projects.

complexity or form. This book takes you step-by-step through the process of drawing twenty-five patterns for wood burning and gourd decoration—with different variations and shading techniques—and applying and adapting the patterns with an easy drawing method. Learn how to improve your drawing skills while applying interest to the patterns as you use them in abstract compositions, create your own variations, and confidently enter your work in gourd or wood burning competitions. Also included are tips and suggestions for wood burning artists who are looking for something not found in typical woodcraft books. Beginning and master gourd artists will find inspiration for designs here, beyond the limited selection offered by clip art and transfers.
