The math portion of the ACT contains 60 questions, and you have 60 minutes to complete that part of the test. So you have roughly 1 minute per question. Every question you answer correctly is worth 1 point toward your raw score on the test. Employing some test-taking strategies can help ensure that you answer all the questions as best you can.

Unlike many of the tests you take in high school, ACT answer keys are completely computer generated. And computers are very good at being random. This means that the answer choices will have a statistically even distribution of 1 in 4 for each answer choice letter (or 1 in 5 on the math section): there is no most common answer on the ACT.
