from the collections of medieval scholars and philosophers, while the expressive and often humorous proverbs show the ways of the world through shrewd Armenian eyes.

We have the pleasure to present to our readers this new collection of Armenian Folk Fables translated into English. The first large collection of Armenian Folk Fables was compiled and recast by folklore specialist Artashes Nazinyan. This collection by Armen Sargsyan is basically the continuation of Nazinyan's work. The author has compiled the collection from different literary sources published in Armenia and Armenian Diaspora during 19-21st centuries. The major part of the material was selected from folklore and ethnographic collections, the other part

Rumpelstiltskin.

A collection of the finest classic Armenian folk tales and legends, passed down through the generations. These tales are "captivating," entertaining and full of wisdom, true-to-tradition, and easy to read.

As interest in folklore increases, the folktale acquires greater significance for students and teachers of literature. The material is massive and scattered; thus, few students or teachers have accessibility to other than small segments or singular tales or material they find buried in archives. Stith Thompson has divided his book into four sections which permit both the novice and the teacher to examine oral tradition and its manifestation in folklore. The introductory section

Read Online Armenian Folk Tales And Fables Oxford

discusses the nature and forms of the folktale. A comprehensive second part traces the folktale geographically from Ireland to India, giving culturally diverse examples of the forms presented in the first part. The examples are followed by the analysis of several themes in such tales from North American Indian cultures. The concluding section treats theories of the folktale, the collection and classification of folk narrative, and then analyzes the living folklore process. This work will appeal to students of the sociology of literature, professors of comparative literature, and general readers interested in folklore.

Twenty-nine tales from the folklore of Turkey, India, Denmark, Armenia, and the Sudan.
