*Art Fundamentals: Theory and Practice by Otto G. Ocvirk*

The fundamentals of art are what I consider to be the building blocks of an artwork. They are color, composition, value, form, brushwork, and perspective. The fundamentals are generally universal across different mediums and styles. Learning them will help you become a well-rounded and versatile artist.

*Fundamentals of Art - The Building Blocks of an Artwork*

It's called Art Fundamentals and was written by three concept artists working professionally in the industry.

## Download Free Art Fundamentals Theory And Practice

It covers all the major fundamentals like perspective, light, anatomy, and composition. It's not as in-depth as my other recommendations, but it is one of the few books focused solely on the fundamentals. Also it was written by professional concept artists so their teaching methods align perfectly with aspiring artists looking to work in the industry.
