Autism An Inside Out Approach

Autism: An Inside-Out Approach is an insightful look at autism that goes beyond symptoms and behaviors. This book is written by an eloquent author who lives with autism every day. Donna Williams suggests both detailed theory and practical day-to-day strategies for addressing specific challenges of individuals who, like her, have some type of autism or Asperger syndrome.

Donna William's challenging new book, written by an autistic person for people with autism and related disorders, carers, and the professionals who work with them, is a practical handbook to understanding, living with and working with autism. Exploring autism from the inside, it shows clearly how the behaviours associated with autism can have a range of different causes, and in many cases reflect the autistic person's attempt to gain control over their internal world.
