Before the Big Bang
by Brian Clegg is
lively reading. It
starts out with
early mythology
of our universe and
then progresses
into how we
started to answer
basic questions
about the universe.
It describes much
of the history of
what people have

Bang Prehistory
Of Our Universe
Brian Clegg

What existed just before the big bang occurred? The question itself

predates modern cosmology by at least 1,600 years.

Fourth-century theologian St.

Augustine wrestled with question of what existed

before God created the universe.

Before The Big Bang Prehistory Of Our Universe

Brian Clegg

According to a recent survey, the most popular question about science from the general public was: what came before the Big Bang? We all know on some level what the Big Bang is, but we don't know how it became the accepted theory, or
