THE INSTANT NEW YORK TIMES BESTSELLER
A raw, honest, and revealing co-memoir by Brie and Nikki Bella: twin sisters, WWE Hall of Fame inductees, and stars of the hit E! shows Total Bellas and Total Divas. As twins, the Bellas have always competed. Legend has it that Nikki drop-kicked Brie in the womb so that she could make her grand entrance first. But the rest of the world often treated them as identical and even interchangeable, so they decided to do something about it. After they made it into WWE, the Bellas accomplished so much together: bringing in young girls and women while building the Bella Army, helping the transition of female performers from Divas to Superstars, starring in Total Divas and Total Bellas, and founding companies like Birdiebee, Nicole + Brizee Beauty, and Bonita Bonita Wine. Though their early journey began with loss, abuse, and plenty of rough times, these challenges "shined the diamond." They resolved to be survivors and the heroes of their own stories, and to take control and responsibility for their lives. Eventually, they would come to show girls everywhere that they can do anything. The Bellas may be identical twins—but as individuals, they have proven themselves incomparable.

Bella Rossi may be nearing thirty, but her life is just starting to get interesting. When her Italian-turned-Texan parents hand over the family wedding planning business, Bella is determined not to let them down. She quickly books a "Boot Scoot'n" wedding that would make any Texan proud. There's only one catch--she's a country music numbskull because her family only listens to Frank Sinatra and Dean Martin. Where will she find a DJ on such short notice who knows his Alan Jackson from his Keith Urban? When a misunderstanding leads her to the DJ (and man) of her dreams, things start falling into place. But with a family like hers, nothing is guaranteed. Can the perfect Texan wedding survive a pizza-making uncle with mob ties, an aunt who is a lawsuit waiting to happen, and a massive delivery of 80 cowboy boots? And will Bella ever get to plan her own wedding? Book one in the Weddings by Bella series, Fools Rush In is fun, fresh, and full of surprises. Readers will love the flavorful combination of Italian and Tex-Mex, and the hilarity that ensues when cultures clash.

\*The twelfth Poldark novel"--Half title page.

Sheikh Zafiq Al-Rashid is furious when his week of solitude is interrupted by Bella Balfour, lost in the desert! While his fierce honor demands he rescue her, the willful heiress is a little less grateful than he'd expected. Zafiq is tempted to leave the spoiled socialite wandering the wilderness...but where would be the challenge in that? He's powerful enough to tame the rebellious beauty. However, when they depart from the seclusion of the oasis, will Zafiq leave the memory of the fiery passion behind or announce to his kingdom that he is taking a queen?

\*I celebrated when vampires were declared extinct. Those monsters had preyed on humanity for millennia, committing senseless, brutal murders. Like the rest of my colleagues at the Occult Bureau, I looked forward to a world where we could all sleep at night--where constant cover-up jobs were no longer required to keep the public calm and unaware. But the end of vampires wasn't the end of our problems. It was only the beginning"--Publisher marketing.

For more than fifty years, Bella Abzug championed the powerless and disenfranchised, as an activist, congresswoman, and leader in every major social initiative of her time--from Zionism and labor in the 40s to the ban-the-bomb efforts in the 50s, to civil

Rick and Karen Santorum ' s inspiring story of life with Bella, their special-needs youngest child
Four days after Rick and Karen Santorum welcomed their eighth baby into the world they were given the devastating news that their little girl, Bella, was going to die. The full story of life with Bella has never been told until now. This inspiring family memoir explores what it means to embrace and celebrate the life of each person, and find hope, even in the midst of painful challenges. Bella ' s Gift is the story of how the entire family came together to love and care for Bella and how God strengthened them during the storms and blessed their family with grace, peace, and joy. Searchingly honest, faith filled, and surprisingly joyful, Bella ' s Gift is a loving, lived-out testimony to the truth that everyone counts, even "the least of these."

This is a story about witchcraft. In 1926, a six-year-old boy named Juan Aguilar goes on a camping trip with his family to Questa, New Mexico. He runs into a cursed house, and he is mysteriously transported back in time to 1826. He is taken in by a local family, and he slowly starts to discover why this house was cursed, that many other children have suffered the same fate, and ten years later finds his way back to his family in Albuquerque. When he returns home, no one believes his strange story of Bella the witch and the notorious witch hunter, Luciano del Valle. Years later, as an adult, he writes his story of witchcraft in rural New Mexico.
