What happens when a southern tomboy, who grew up "dating like a dude" only to discover she had daddy issues that hurt the men she was once involved with, suffers heart-break and goes on a journey of self-discovery that guides her into frank discussions with men about parenting, relationships, sex, love, and growing pains? "A Tomboy's Guide" begins with the back story of a woman who grows up as a tomboy. It delves into both heavy (a story about sexual assault) and light hearted subjects (asking "Who pays for dates?"). Each chapter includes "YBBG LESSONS" that tackle many of the conflicts that men and women face when dealing with each other in a myriad of relationship settings.

""CONVERSATIONS"" with men from every walk of life, help dispel the negative ways men are normally portrayed. Men open up and show the rawness of emotions they seldom reveal when dealing with relationship issues.
