Montgomery, Runger, and Hubele provide modern coverage of engineering statistics, focusing on how statistical tools are integrated into the engineering problem-solving process. All major aspects of engineering statistics are covered, including descriptive statistics, probability and probability distributions, statistical test and confidence intervals for one and two samples, building regression models, designing and analyzing engineering experiments, and statistical process control. Developed with sponsorship from the National Science Foundation, this revision incorporates many insights from the authors teaching experience along with feedback from numerous adopters of previous editions.

A MAN CONDEMNED . . . Falsely accused of murder and mute from a near-fatal beating, Apollo Greaves, Viscount Kilbourne has escaped from Bedlam. With the Crown's soldiers at his heels, he finds refuge in the ruins of a pleasure garden, toiling as a simple gardener. But when a vivacious young woman moves in, he's quickly driven to distraction . . . A DESPERATE WOMAN . . . London's premier actress, Lily Stump, is down on her luck when she's forced to move into a scorched theatre with her maid and small son. But she and her tiny family aren't the only inhabitants-a silent, hulking beast of a man also calls the charred ruins home. Yet when she catches him reading her plays, Lily realizes there's more to this man than meets the

eye. **OUT OF ASH, DESIRE FLARES** Though scorching passion draws them together, Apollo knows that Lily is keeping secrets. When his past catches up with him, he's forced to make a choice: his love for Lily . . . or the explosive truth that will set him free.

An ingeniously witty novel about the risks--and rewards--of opening your life to new people by Amazon Charts bestselling author Camille Pagán. No new people: that's Annie Mercer's vow. It's bad enough that her boss sabotaged her chemistry career and her best friend tried to cure her with crystals. But after her fiancé, Jon, asks for space while he's gallivanting around Paris, Annie decides she needs space too--from everyone. Yet when Harper moves in next door, Annie can't help but train a watchful eye on the glamorous but fragile young woman. And if keeping Harper safe requires teaming up with Mo, a maddeningly optimistic amateur detective, who is she to mind her own business? Soon Annie has let not one but two new people into her life. Then Jon reappears--and he wants her to join him in France. She's pretty sure letting anyone get close won't end well. So she must decide: Is another shot at happiness worth the risk?

A stand-alone novella from New York Times bestselling author Elizabeth Hoyt! Miss Mary Whitsun is far too intelligent to fall for the rakish charms of a handsome aristocrat. But when the gentleman in question approaches her in a bookshop, mistaking her for his fiancée, Lady Johanna Albright, the flirtatious encounter only raises more questions. Could Mary, a servant raised in a St Giles orphanage, actually be Lady Joanna's long-lost twin sister? If so, Mary has been betrothed since birth---to the rakishly handsome aristocrat himself . . . Henry Collins, Viscount Blackwell, is far too intrigued by Mary to let her go so easily. He's drawn to her sharp mind, indomitable spirit, and the fiery way in which she dismisses him---ladies simply don't dismiss Lord Blackwell. But as Mary makes her first hesitant steps into society, she can't help but wonder if she truly has a place in Henry's world---or in his heart.

An all-new novella in the New York Times bestselling Maiden Lane series by Elizabeth Hoyt!
