Broken Trust. Deceived by her parents, Ebony learns of her true heritage - she is an angel from the otherworldly realm of Avena, and she is in danger. Broken Hearts. When Ebony's eternal soul mate, Nathaneal, is arrested for using his secret powers to protect her, she finds herself alone with a friend she cannot trust. Broken Realms. To save Ebony's human parents, Nathaneal must journey into treacherous Skade, the world of his archenemy, the Dark Prince, who would do anything to destroy him and capture the angel they both love. Only Now . . . will Ebony piece together her stolen past - and become as powerful as she was meant to be.

For as long as Ebony can remember, she's been sheltered. Confined to the secluded valley she calls home, home-schooled by her protective parents, and limited to a small circle of close friends. It's as if she's being hidden. But something is changing in Ebony. Something that can't be concealed. She's growing more beautiful by the day, she's freakishly strong, and then there's the fact that she's glowing. On one fateful night, Ebony meets Jordan and she's intensely drawn to him. It's as if something explodes inside of her-something that can be seen from the heavens. Ebony still doesn't know that she's a stolen angel, but now that the heavens have found her, they want her back.

Ethan is a member of the Named, sworn to fight the Order of Chaos, an evil group determined to permanently change the course of history. But he is also a normal high school student trying desperately to keep up with his homework and fit in. When he is assigned to mentor Isabel, a cute classmate and future member of the Named, the line between his two lives begins to blur. So begins an epic quest as Ethan, Isabel, and others travel through time to battle dark forces and protect the future.

Kate is at a loss. She meets a boy with curious powers and a bizarre history - but he thinks he is very ordinary. How can she convince him that he has a gift, a gift that he must use to unravel mysteries that have hung over his family for generations? And even if she does persuade him, will his talents prove powerful enough to overcome what lies ahead?

Perfect for fans of Becca Fitzpatrick, Lauren Kate and many more. Ebony and Nathaneal were in love before they were even born. Torn apart and kept in different worlds, will they finally reunite in this exquisite conclusion to Hidden and Broken? Ebony was kept hidden on Earth for sixteen years, unaware that she was an angel. Unaware that her true soulmate, Nathaneal, was searching for her. Now ready to claim her rightful place with him, in a cruel twist of fate Ebony is captured and imprisoned in a version of hell. Knowing that Nathaneal will come for her, Ebony is determined to fight against the evil that holds her prisoner. As long as she has Nathaneal's love, Ebony has nothing to fear. Can Nathaneal break through the gates of hell? Will these long-lost lovers finally reunite and fulfil their destiny?

Isabel and Ethan are joined by Isabel's brother Matt, who is still getting accustomed to life in the Guard. This time, they must find Arkarian, their ageless mentor, who has been kidnapped and sent to the underworld. Although Isabel and Ethan have been forbidden to rescue him, an ever-increasing connection to Arkarian drives Isabel to convince Ethan and Matt that they must risk everything to find him despite the potential consequences.

The battle to protect the future is coming to an end as the evil Order of Chaos launches their final attack on the Named. To defeat the Order, the Named must locate the Key to a treasury of weapons hidden somewhere in the ancient city of Atlantis. The race is on to capture the Key before a horde of undead soldiers find it. And as the Named work against time, one of their own is plotting against them. "Enormously imaginative." -VOYA

The battle has come and gone. The war is won. The prophecy complete. But life can't just pick up where it left off. Many members of the Guard struggle to cope with how the battle ended and all that they lost. Ethan, particularly, has become at odds with his friends in the Guard. He finds himself adrift, jumping at shadows and sensing things that can't possibly be there. Lathenia, the Goddess of Chaos, has kept secrets from her Immortal brothers. But now her secrets are unravelling. Her plan for world domination is coming unstuck. When one of her secrets becomes known, vengeance erupts and threatens to take over. But love intervenes, putting Lathenia's plans for world dominance in jeopardy. As the Guard and the Order battle through the past and into an impossible future, darkness lurks around every corner, and the fight for the world's survival will come to rest with just one.

Every so often, two people are born who are the perfect match for each other. Soulmates. But while the odds of this happening are about as likely as being struck by lightning, when these people do meet and fall in love, thunderstorms, lightning strikes and lashings of rain are only the beginning of their problems. After a chance meeting at a local band night, Poppy and Noah find themselves swept up in a whirlwind romance unlike anything they've ever experienced before. But with a secret international agency preparing to separate them and a trail of destruction rumbling in their wake, they are left with an impossible choice between the end of the world, or a life without love... "Warning: this book will demolish your heart as it has demolished mine." - CJ Skuse, Author of Rockaholic Shortlisted - UKYA Awards

For readers of Marieke Nijkamp's *This Is Where It Ends*, a powerful and timely contemporary classic about the aftermath of a school shooting. Five months ago, Valerie Leftman's boyfriend, Nick, opened fire on their school cafeteria. Shot trying to stop him, Valerie inadvertently saved the life of a classmate, but was implicated in the shootings because of the list she helped create. A list of people and things she and Nick hated. The list he used to pick his targets. Now, after a summer of seclusion, Val is forced to confront her guilt as she returns to school to complete her senior year. Haunted by the memory of the boyfriend she still loves and navigating rocky relationships with her family, former friends, and the girl whose life she saved, Val must come to grips with the tragedy that took place and her role in it, in order to make amends and move on with her life. Jennifer Brown's critically acclaimed novel now includes the bonus novella *Say Something*, another arresting Hate List story.
