Finlande ” and appeared as a double edition with the ” Bulletin de la Commission géologique de Finlande ” (former Geological Survey of Finland, Bulletin).

Bulletin of the Geological Society of Finland ...

The GSA Bulletin is the Society's premier scholarly journal, published continuously since 1890. Its first editor was William John (WJ) McGee, who was responsible for establishing much of its original style and format. Fully refereed, each bimonthly issue includes 16-20 papers focusing on the most definitive, timely, and classic-style research in all earth-science disciplines.
