The monarch was all smiles as she met Thursday with veteran cast and crew of the show, walked along the storied cobbled street and visited the studio where the interior of the Rovers Return pub is ...

A practical pocket-sized guide with the authority of CAMRA, combined with architectural notes to many of London's best pub buildings.

From the bucolic charms of Hampstead Heath to the bustle of Marylebone, this pocket-sized guide will lead the serious Rambler and more casual walker on voyages of discovery, each with great pubs at its heart. The walks are clearly mapped and illustrated, with detailed information on how to link multiple walks together. Over 160 pubs are featured on 30 walks and 3 special city tours by bus, tram and riverbus. Detailed pub listings are accompanied by notes on cultural and historic items of interest to be discovered along each route.

It's an extraordinary tale of yeast-obsessed monks and teetotal prime ministers; of how pale ale fuelled an Empire and weak bitter won a world war; of exploding breweries, a bear in a yellow nylon jacket and a Canadian bloke who changed the drinking habits of a nation. It's also the story of the rise of the pub from humble origins through an epic, thousand-year struggle to survive misunderstanding, bad government and misguided commerce. The history of beer in Britain is a social history of the nation itself, full of catastrophe, heroism and an awful lot of hangovers. 'a pleasant antidote to more po-faced histories of beer' Guardian 'Like a good drinking companion, Brown tells a remarkable story: a stream of fascinating facts, etymologies and pub-related urban phenomena' TLS 'Packed with bar-room bet-winning facts and entertaining digressions, this is a book into which every pub-goer will want to dip.' Express

Explore the entire city without ever being far from a decent pint, with this updated edition that includes a bonus section of special tours around the city via public transport and peddle power Including 30 walks with stops at more than 180 fine pubs, this practical pocket-sized guide covers every part of London, from the heart of the city and the bustling West End to majestic riverside routes and the leafy Wimbledon common. Each pub on every walk has been selected for its high-quality ale, its location, and its superb architectural heritage. Trails of varying lengths suit everyone from the casual pub goer to active walkers, and there are routes to suit pub architecture aficionados, shoppers, theater goers, literary lovers, and beer tourists. The walks are accompanied by an easy-to-follow map, detailed pub listings with hours of operation, average walking times, and notes on interesting places to see along the way. Each starts and finishes close to public transportation and many link to adjacent walks. Neat, compact, and highly informative, this is the perfect companion for a day out discovering the real London.

A practical, pocket-sized guide to some of the best pubs and walking routes in the south eastern corner of England Aimed at both casual walkers and serious hikers, this guide features walks throughout the south east counties that border London, along with details of the region's heritage and special attractions. Each route has been carefully chosen for its inspiring landscape, historic interest, and its beer, with the walks taking travelers on a tour of the best real ale pubs the area has to offer. Full-color maps; detailed information on routes, accommodation, and public transportation; special feature boxes giving detailed insights into fascinating local attractions and history; and pub listings with opening hours and details of draught beers make this the essential guide for anyone wanting to see—and taste—the very best of a stunningly beautiful part of England.

Includes a description of each pub, a location map, and a list of beers found along with the date of the author's visit. This guide also contains colour photographs, contact details, articles related to real ale and football and comments from the regulars of the pub, and a cultural guide to each town.

WINNER OF THE DRINK BOOK AWARD AT THE FORTNUM & MASON FOOD AND DRINK AWARDS 2017. Pete Brown has visited hundreds of pubs across the UK and is uniquely placed to write about pubs that ooze atmosphere, whatever the reason, be it food, people, architecture, location or decor. The best pubs are those that always have a steady trade at any time on any day of the week, and where chat flows back and forth across the bar. They're the places where you want to drink weak beer so you can have several pints and stay longer. Some are grand Victorian palaces, others ancient inns with stunning views across the hills. Some are ale shrines, others gastropubs (though they probably don't call themselves that any more). A precious few are uniquely eccentric, the kinds of places that are just as likely to have terrible reviews on Trip Advisor as great ones, because some people don't realize that the outside toilets, limp sandwiches on the bar and really disturbing full-size mannequin glaring at you from the corner are all part of the charm. This charming collection of 300 pubs explores what makes each one ooze atmosphere, be it food, people, architecture, location or décor, and looks at the quirks of local history as well as different trends and types of pub. Full of pen portraits of punters or publicans, legends, yarns and myths, this entertaining book is the perfect gift for regulars of that well-loved British institution, the pub.
