## Case 70XT Skid Steer Loader - RitchieSpecs

I have even dug some of them with a  
CASE 1840. The 60XT would do it but it  
will take some time. You would have  
approx. 74 hp and 1800 pound of ROC.  
The 60XT is a good all around machine. If  
you were going to have a steady diet of  
intese digging like basements and you  
wanted to use a skid steer I would step up  
to a 90XT with a set of steel tracks.

This paper reviews economic developments in Suriname during 1994–96. In 1995, there was a major turnaround in Suriname's economic and financial situation following the expansionary fiscal and monetary policies pursued in the first half of the 1990s and the political and economic disruptions of the 1980s. The marked improvement was owing to the restoration of financial discipline, a strengthening of international bauxite prices, and the unification and subsequent stabilization of the exchange rate. The inflation fell further to less than 1 percent in 1996.
