Drew Eric Whitman, D.R.S. - [cashvertising.com](http://cashvertising.com)

Cashvertising is a must-read for anyone who buys, sells or creates advertising. It's the "secret sauce" for how to speak into the "buy now" psyche. Having read numerous books on sales and marketing, I found this to be one of the most concise, entertaining and (unpretentiously) educational books I've read on the subject. Seriously, before you waste money on ads that don't work, invest a little ...

Barely one in a hundred businesspeople knows these facts about creating powerful advertising. Do You? FACT! Sixty percent of people read only headlines. Your headline must stop them or your advertising will likely fail. FACT! Captions under photos get 200 percent greater readership than non-headline copy. FACT! Ads with sale prices draw 20 percent more attention. FACT! Half-page ads pull about 70 percent of full-page ads; quarter-page ads pull about 50 percent of full-page ads. FACT! Four-color ads are up to 45 percent more effective than black and white. New York ' s biggest ad agencies use dozens of these little-known secrets every day to influence people to buy. And now—thanks to Cashvertising—you can, too. And it won ' t matter one bit whether you ' re a corporate giant or a mom-and-pop pizza shop. These techniques are based on human psychology. They work no matter where you ' re located, no matter what kind of product or service you sell, and no matter where you advertise. In fact, most don ' t cost a penny to use. Like a wild roller-coaster ride through the streets of Madison Avenue, Cashvertising teaches you the tips, tricks, and strategies that New York ' s top gun copywriters and designers use to persuade people to buy like crazy. No matter what you sell—or how you sell it, this practical, fast-paced book will teach you: How to create powerful ads, brochures, sales letters, Websites, and more How to make people believe what you say “ Sneaky ” ways to

Poche persone sono a conoscenza del fatto che:

- Il 60% delle persone legge solo i titoli degli annunci pubblicitari;
- Le didascalie delle foto sono lette 200 volte di più del resto del messaggio pubblicitario;
- Gli annunci pubblicitari con l ' indicazione del prezzo di vendita attirano il 20% in più dell ' attenzione;
- Gli annunci realizzati con 4 colori sono fino al 45% più efficaci di quelli in bianco e nero.

Le più grandi agenzie pubblicitarie utilizzano ogni giorno questi trucchi per spingere le persone ad acquistare, grazie a Cashvertising potrete farlo anche voi. Queste tecniche si basano tutte sulla psicologia umana. Funzionano dovunque vi troviate, indipendentemente dal tipo di prodotto o servizio che vendete, e da dove state facendo pubblicità . Nella maggior parte dei casi, non costa nulla metterle in pratica. Questo libro vi svelerà i trucchi, i suggerimenti e le strategie che i migliori copywriter e designer utilizzano

## Read Online Cashvertising

per aumentare i profitti dei loro clienti. Non importa quello che vendete – e nemmeno come lo vendete –, questo libro dall'approccio pratico vi insegnerà: • A realizzare annunci pubblicitari, lettere commerciali, siti web e molto altro; • A fare in modo che le persone credano a quello che dite; • Le tecniche psicologiche per indurre le persone all'acquisto; • I trucchi efficaci per scrivere titoli accattivanti; • Cosa fare sempre o non fare mai quando realizzate un annuncio pubblicitario.

In *The 4 Day Week*, entrepreneur and business innovator Andrew Barnes makes the case for the four-day week as the answer to many of the ills of the 21st-century global economy. Barnes conducted an experiment in his own business, the New Zealand trust company Perpetual Guardian, and asked his staff to design a four-day week that would permit them to meet their existing productivity requirements on the same salary but with a 20% cut in work hours. The outcomes of this trial, which no business leader had previously attempted on these terms, were stunning. People were happier and healthier, more engaged in their personal lives, and more focused and productive in the office. The world of work has seen a dramatic shift in recent times: the former security and benefits associated with permanent employment are being displaced by the less stable gig economy. Barnes explains the dangers of a focus on flexibility at the expense of hard-won worker protections, and argues that with the four-day week, we can have the best of all worlds: optimal productivity, work-life balance, worker benefits and, at long last, a solution to pervasive economic inequities such as the gender pay gap and lack of diversity in business and

## Read Online Cashvertising

governance. The 4 Day Week is a practical, how-to guide for business leaders and employees alike that is applicable to nearly every industry. Using qualitative and quantitative data from research gathered through the Perpetual Guardian trial and other sources by the University of Auckland and Auckland University of Technology, the book presents a step-by-step approach to preparing businesses for productivity-focused flexibility, from the necessary cultural conditions to the often complex legislative considerations. The story of Perpetual Guardian's unprecedented work experiment has made headlines around the world and stormed social media, reaching a global audience in more than seventy countries. A mix of trenchant analysis, personal observation and actionable advice, The 4 Day Week is an essential guide for leaders and workers seeking to make a change for the better in their work world.

Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises

## Read Online Cashvertising

wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

American advertising pioneer CLAUDE C. HOPKINS (1866-1932) is still renowned today for developing such marketing innovations as coded coupons that could be used to track the success of varying offers. His methods are still prized for their efficacy today. In this groundbreaking 1923 work, written after he retired as president and chairman of one of the world's biggest ad agencies, Hopkins shares the secrets of successful marketing that are just as relevant today as they were almost a century ago. Learn: . how advertising laws are established . the importance of just salesmanship . why businesses must offer service . mail order advertising: what it teaches . what makes headlines effective . understanding customer psychology . how to use art in advertising . how to use samples . the best way to test campaigns . the impact of negative advertising . and much more.
