The OH-260 provides the perfect classroom instructional tool! This overhead version of the Casio fx-260 is placed directly on an overhead projector and provides a clear view of the calculator face with identical functionality as the fx-260. Students can follow along with the fx-260 as you use the OH-260

in front of the classroom.

A collection of twenty-one traditional tales from the British Isles.

True heroes who will win your heart. Honor, duty, courage, passion . . . the men of the Navy SEALs are a special breed of hero, and in these stories by eighteen top romance authors the SEALs are celebrated not only as symbols of devoted service to their country but as the kind of man every woman wants to love. They'll rescue a damsel in distress and her lap dog, too. They'll battle hometown dramas and international bad guys. When it comes to giving away their hearts, they'll risk everything. All proceeds from sales of SEAL of My Dreams goes to the Veterans Research Corporation, a non-profit fundraiser for veterans' medical research. Among them, the authors of SEAL of My Dreams have won dozens of writing awards including multiple RITAs from Romance Writers of America. Their nearly 600 published novels have sold at least 25 million copies worldwide. The SEAL of My Dreams roster includes many of the best-known authors in modern romance fiction. In addition, many have strong family connections to the servicemen and women of our nation's military, and many specialize in novels featuring heroes and heroines from all branches of service. Visit the authors at sealofmydreams.com.

This new revision guide with over 1500 questions, reasoned answers and links to explanatory text gives a comprehensive range of multiple choice questions (MCQs) and extended matching items (EMIs). Complete with sample papers, this book provides everything you need for the written parts of the MRCPsych and comparable hi

Charlie's brother has put her in the no-win situation of having to rescue a cyborg from Earth Government. It's dangerous, she'll become an outlaw on Earth, but it's the only way to save her brother's life. The imprisoned cyborg is rude, conceited and probably the biggest jerk she's ever had the misfortune to meet. His only redeeming qualities are his handsome face and sexy, muscular body. Just wow! Still, she can't wait to be rid of him. All cyborgs hate humans, but Zorus is consumed by it. Chained, enslaved and facing death on Earth once again, he vows revenge. To his utter astonishment, a human female comes to his rescue. She's rude, mouthy and bossy. And very brave. She baffles him almost as much as she arouses him. Zorus cannot deny that he's fascinated by her. They are about to lock wills and ignite a firestorm of desire that defies every rule he lives by.

Aaron Hill has it all—athletic good looks and the many privileges of a star quarterback. His Sundays are spent playing NFL football in front of a televised audience of millions. But Aaron's about to receive an unexpected handoff, one that will give him a whole new view of his self-centered life. Derrick Anderson is a family man who volunteers his time with foster kids while sustaining a long career as a pro football player. But now he's looking for a miracle. He must act as team mentor while still striving for the one thing that matters most this season—keeping a promise he made years ago. Megan Gunn works two jobs and spends her spare time helping at the youth center. Much of what she does, she does for the one boy for whom she is everything—a foster child whose dying mother left him in Megan's care. Now she wants to adopt him, but one obstacle stands in the way. Her foster son, Cory, is convinced that 49ers quarterback Aaron Hill is his father. Two men and the game they love. A woman with a heart for the lonely and lost, and a boy who believes the impossible. Thrown together in a season of self-discovery, they're about to learn lessons in character and grace, love and sacrifice. Because in the end life isn't defined by what takes place on the first day of the week, but how we live it between Sundays.

Fibromyalgia: Up Close & Personal is packed with 43 chapters of "inside" medical information and "hands-on" practical advice for everyday living. Dr. Mark J. Pellegrino brings readers up-to-date with the newest drug and physical treatments for fibromyalgia. He also presents the latest thinking on diet and exercise to help people with this condition lead a full life. Recognized by fibromyalgia sufferers for understanding what they are going through, Dr. Pellegrino is a welcoming and encouraging presence for everyone with this condition and this quality comes through very clearly in his writing. It's as if each person reading his book is having a private consultation about their shared disease. In Up Close & Personal Dr. Pellegrino has enlisted two leading attorneys to bring readers much needed insight into disability and personal injury issues. Also, he asked a knowledgeable physician to contribute a chapter on common pain problems.
