Commencement is a novel about four white heterosexual women who attend a prestigious private college and later are able to stop going to work without worrying about money or giving up their premium cable packages. I mention this because the author seems not to have thought about it.

Commencement by J. Courtney Sullivan
Sullivan's debut novel, Commencement, works like a backstage pass to a world I barely knew existed--the elite contemporary women's college, the world of Smithies--with their rampant anagrams (including my favorite, S.L.U.G., Smith Lesbian Until Graduation), fluid and complex sexuality, eccentric traditions, arch politics, and, most of all, incredibly deep and enduring friendships.
