intermediate level of proficiency. With each edition, we strive to provide continuity from first- to second-year Spanish with engaging and pedagogically sound materials. After completion of our program, when learners go to use Spanish in their work or personal lives, they will have developed confidence in the language and the ability to express themselves on topics relevant to the issues of our time. Why is Conexiones such an effective tool for language learning? Because it provides solutions to the most common challenges of language teaching: ? A solid yet flexible bridge from introductory to intermediate Spanish. Our program meets learners where they are, and allows instructors the flexibility of

Our program guides learners to an intermediate high level of proficiency as defined by ACTFL's Proficiency Guidelines 2012"--
