From this "fabulous storyteller" (Carolyn Brown, New York Times bestselling author) comes the next Meadow Valley western romance series.

New York Times bestselling author R.C. Ryan takes readers on a wild ride with a strong heroine who must trust the cowboy trying to save her life. A cowboy with a wild side Kirby Regan isn't opposed living on the edge. After all, she just quit her career in Washington, D.C., so she could move back to Wyoming and buy her family's ranch. But hiking the Tetons after dark during a snowstorm goes beyond being adventurous, especially when Kirby's boss warns her that an escaped convict is at large. Sheltering in a cave seems the safest option to ride out the blizzard-until Kirby realizes it's already occupied . . . by a ruggedly handsome cowboy. Like the mustangs he treats, veterinarian and rancher Casey Merrick prefers to live wild and free, which is why a relationship is not in the cards for him. He doesn't mind sharing his space with a gorgeous stranger, as long as they can both keep their distance—a task that begins to seem impossible as the attraction between them heats up. But before they can worry about the spark smoldering between them, Casey must find a way to protect Kirby from nature's most ruthless conditions . . . and a convicted killer on the loose. Includes the bonus novel Wildflower Ranch, a continuation of Daisies in the Canyon, by New York Times bestselling author Carolyn Brown!

Prankster Sheri Marsh came to Mule Hollow to go into business with her best friend Lacy Brown...she did not come to fall in love with one of the town's cowboys. But now, the "matchmaking posse" as she dubbed the town matchmakers have set their sights on her despite being told she's not interested. And just to teach them a lesson she hatches her own plan—all she needs is a cowboy just as eager to keep them off his back as she is to get them off hers. Horse trainer Pace Gentry is just the man she needs for her plan to work...now she just needs to convince the quiet cowboy that pretending to be her boyfriend and teaching the ladies a lesson is the right thing to do. Mesa Arraguso writes about hot cowboys for a living. Being a romance writer has its perks and its drawbacks. She spends a lot of time alone in front of her computer, but she gets to fantasize about incredibly hot men wearing cowboy boots and Stetsons. While visiting San Antonio, Texas for a writer's conference, she finds herself stranded on the back roads of Bandera only to be rescued by one of the most gorgeous men she's ever encountered, be it fantasy or for real. Joel Young is a cowboy. From the top of his Stetson to the tip of his dirty cowboy boots, he's cowboy through and through. Along with rescuing women when they do silly things like running out of gas miles from town on a dirt road, he spends his days herding cattle, fixing fences and breaking horses. Can one handsome cowboy and a city-girl from LA find common ground in the Hill Country long enough to see beyond a quick fling?

Beau Blanton is well known and respected in the rodeo circuit, and he is co-owner of the 3B Ranch in Montana. After the disappearance of his older brother, he finds himself returning home to face his ranch and family responsibilities. Unable to come to terms with his loss, Beau dives headfirst into running the ranch. Drina Skylard is a well known and beloved country music star. In search of rest and inspiration, she goes on hiatus and takes her younger brother and sister to the 3B Ranch for the summer. The lovely artist has taken legal guardianship of her young siblings following the death of their parents. The kids are big fans of Beau and have followed his rodeo career closely. However, he is not what Drina expected. Still grieving the loss of his brother and suffering from PTSD from his service as an army ranger, his gruff and often times rude manner tests her fiery temper. Beau knows of this beautiful young singer but has no time for what he considers to be a want-to-be cowgirl. However, he soon finds himself enchanted by this sassy, spunky, and often hot-tempered little spitfire.

Be mine, cowboy: Cade King is back after burning up the rodeo circuit, sober and determined to show single mom Rachel James that he's changed.
