Counseling interventions are a proven and powerful way to help individuals with HIV cope with the enormous changes in their lives wrought by the disease. Proposing an innovative conceptual model for HIV clinical work, this book integrates empirical research on the psychosocial aspects of HIV with extensive case material. It provides a framework for assessing clients' psychosocial concerns and implementing interventions to facilitate adjustment; reviews medical and neurocognitive aspects of HIV disease progression; explores the psychotherapeutic context of HIV clinical work; and addresses risk reduction and prevention.

Angel Evolution- the first book in the young adult fantasy trilogy: The Evolution Trilogy...When Taylor meets Gabriel at college, she is in awe of the subtle glow that surrounds him. No one else, not even her best friend, seems to notice.Something about him scares her.Is all as it appears? While Taylor struggles for answers, she finds herself in the middle of a century old war centered on one miraculous revelation: evolution.

With gas and food prices soaring, there's more need than ever before for Jonni McCoy's Miserly Moms. Jonni shares the money-saving strategies that allowed her family to transition from two incomes to one. These practical, proven strategies, tips, and recipes will help anyone live frugally without feeling deprived. Real-life examples show how anyone can learn to live more carefully and reach their financial goals. Now in its fourth edition, Miserly Moms is packed with even more ways to reduce a family's expenses and expose hidden living costs.

"It's the cure that kills."Former D.C. politico turned private investigator Frank Bennington races to save the life of a friend. In doing so, he finds himself fighting against those representing the entrenched powers of government bureaucracy and corporate greed that would have lives lost to ensure billions in profit.This is the second installment of the very popular Bennington P.I. series."D.W. Ulsterman has a hit on his hands with Bennington P.I." -MARLOWE"Fast paced and engrossing read." -M. THOMPSON/VINE VOICE

What is a wiseman? What is a prophet? Someone with a strange, unflappable demeanor. Someone who speaks in cryptic koans, words whose meanings take years to unravel. Someone who has confronted death, God, sin, and the immortal soul. Someone unfit for this world, but too brilliant to depart it. Someone--in short--like Keith Richards. Here, at last, the wisdom of this indefatigable man is recorded and set forth. These are his visionary words: "I would rather be a legend than a dead legend." Or "Whatever side I take, I know well that I will be blamed." And--indeed--"I've never had a problem with drugs, only with policemen." Not merely a compendium of wisdom, this book is also a complete guide to the inner workings of a complex and inspired belief system, and the life of a man sanctified by fame. What Would Keith Richards Do reminds us to learn from our mistakes, let our instincts lead us, and above all, do what Keith has done better than anyone--survive.

Panic Anxiety is the number one mental health problem for women and second only to drug abuse among men. Synthetic tranquilizers can alleviate the symptoms of anxiety illnesses. However, in order to achieve lasting emotional tranquility, a significant lifestyle change must be made. The Anxiety Cure provides proven, natural strategies for overcoming panic disorder and finding an emotional balance in today's fast-paced world.

Named one of New York Times Top-20 Cookbooks of 2006. Have you ever wanted to host a full evening of Indian food, culture, and music? How about preparing a traditional Balinese banquet? Or take a trip to Cairo and enjoy an Egyptian feast? The Ethnomusicologists' Cookbook takes you around the world on a culinary journey that is also a cultural and social odyssey. Many cookbooks offer a snapshot of individual recipes from different parts of the world, but do nothing to tell the reader how different foods are presented together, or how to relate these foods to other cultural practices. For years, ethnomusicologists have visited the four corners of the earth to collect the music and culture of native peoples, from Africa to the Azores, from Zanzibar to New Zealand. Along the way, they've observed how music is an integral part of social interaction, particularly when it's time for a lavish banquet or celebration. Foodways and cultural expression are not separate; this book emphasizes this connection through offering over thirty-five complete meals, from appetizers to entrees to side dishes to desserts and drinks. A list of recommended CDs fills out the culinary experience, along with hints on how to present each dish and to organize the overall meal. The Ethnomusicologists' Cookbook combines scholarship with a unique and fun approach to the study of the world's foods, musics, and cultures. More than just a cookbook, it is an excellent companion for anyone embarking on a cultural-culinary journey.

This cross-disciplinary book dives into the technical and computational aspects that make cooperative games possible. It is appropriate for professional researchers, graduate students, and advanced undergraduates hoping to pursue careers in academia and / or industry.

This densely illustrated, hands-on guide to diesel engine maintenance, troubleshooting, and repair renders its subject more user-friendly than ever before. Finally, boatowners who grew up with gas engines can set aside their fears about tinkering with diesels, which are safer and increasingly more prevalent. As in other volumes in the International Marine Sailboat Library, every step of every procedure is illustrated, so that users can work from the illustrations alone. The troubleshooting charts in the second chapter--probably the most comprehensive ever published--are followed by system-specific chapters, allowing readers to quickly diagnose problems, then turn to the chapter with solutions. Diesel engine systems covered include: mechanical; oil; fresh- and raw-water cooling; low- and high-pressure fuel; exhaust; starting; charging; transmission and stern gear.

Offers information on accommodations, restaurants, and local attractions, along with tips on transportation, guidelines for shopping excursions, and symbols to indicate budget options.
