Students gain the skills to live independently. Understand the difference between renting and buying a home. Then, become familiar with the expenses associated with living alone. From there, get to know bus routes to determine the fastest way to get around. Be prepared in case of fire with your own fire route plan. Find out how saving energy will save money. Finally, get to know who to contact in case of injury. Comprised of reading passages, graphic organizers, real-world activities, crossword, word search and comprehension quiz, our resource combines high interest concepts with low vocabulary to ensure all learners comprehend the essential skills required in life. All of our content is reproducible and aligned to your State Standards and are written to Bloom's Taxonomy.

Empower students with the confidence to live on their own. Our in-depth study combines the three lessons in this series: Independent Living, Managing Money, and Employment & Volunteering. Students will start by finding their own place to live and knowing how to get around. Then, students learn how to budget and prepare for their future. Finally, students join the workforce by learning how to write a resume and gaining valuable interview skills. Comprised of reading passages, graphic organizers, real-world activities, crossword, word search and comprehension quiz, our resource continues the study of necessary Life Skills everyone should learn before venturing out on their own. All of our content is reproducible and aligned to your State Standards and are written to Bloom's Taxonomy.

Creative Living Skills is a major revision of Creative Living that repositions the program to appeal to a wider audience. It is still the book for comprehensive courses at grades 10-12, but is also appropriate for management or independent living courses. This edition places additional emphasis on personal development, interpersonal skills and relationships, parenting, resource management, consumer skills, and daily choices related to food, clothing, housing, and transportation. When used with upper-level students or independent living classes, pair Creative Living Skills with the new worktext, LIFE On Your Own, 0-07-861584-4. This worktext presents real-life situations students will encounter and provides practice dealing with them. Students work through this consumable book and then keep it for future reference. LIFE On Your Own can also be used as the primary text for a semester independent living course.

Learning to take personal responsibility is an important step on the road to becoming a self-sufficient person. Students get help Coping with Life by learning how to adapt to things that are beyond their control as well as having a positive response to a setback.
