"Diagnosis in Chinese Medicine is an indispensable tool for the interpretation of symptoms and signs. It is the first text that helps the practitioner to understand the significance of symptoms and signs making diagnosis and treatment strategies easier and more logical."

Diagnosis in Chinese Medicine: A Comprehensive Guide ...

Diagnosis in traditional Chinese medicine may appear to be simply a grouping of symptoms, but the elegance of Chinese medicine is that a diagnosis automatically indicates a treatment strategy. For example, a woman experiencing menopause may have hot flashes, night sweats, thirst, and irritability; this group of symptoms leads to a diagnosis of kidney yin deficiency with heat.
