Top Secret. As its name implies, 'Top Secret'

Read Online Evan Top Secret Confidential Composition Notebook For Boys 8 5x11 120

is the highest level of classification. 'Top Secret' means that the unauthorized disclosure is reasonably expected to cause exceptionally grave damage to the national security. About 25% of all newly classified documents are labeled "confidential", 65% will fall into the "secret" category while the remaining 10% are graded "top secret."

A trade secret is typically defined as any
confidential information that is secretly
held by a business to gain an economic
advantage over its competitors. Some common

Luckily, these are perhaps the most serious
misconceptions other people have about me—I
do my best to remain myself, as I believe
this is the only way one can be happy. But,
of course, I have other lesser habits and

Names~~

~~My Secrets: Free Reflective Essay Sample~~

On the other hand, confidential is generally related to official usage like confidential files, confidential papers, etc. The major difference arises when they specify the category of information. Information pertaining to national security is often categorized into three categories comprising of top secret, secret and confidential.
