---

Flaubert in Egypt is fascinating, raw, and frequently raunchy account of the author's travels in Egypt and surrounding areas in 1849-50. From the outside this may sound like an old school salacious read a la 50 Shades, but if you can get past the naughty stuff there is a lot that one can take away from Flaubert's accounts.

---

**Flaubert in Egypt: A Sensibility on Tour** by Gustave Flaubert

At once a classic of travel literature and a penetrating portrait of a 'sensibility on tour', Flaubert in Egypt wonderfully captures the young writer's impressions during his 1849 voyages. Using diaries, letters, travel notes, and the evidence of Flaubert's travelling companion, Maxime Du Camp, Francis Steegmuller reconstructs his journey through the bazaars and brothels of Cairo and down the Nile to the Red Sea.
