instruction in the drafting and revision phases to assist your students in creating outstanding book reports. We also take the fear out of writing essays while giving your students the tools to comprehensively express their point of view. The learning objectives are based on Bloom ' s Taxonomy and you can use this material to supplement your present writing program or for independent student work. Also included is a detailed implementation guide, student assessment rubric, word puzzles, comprehension quiz, and test prep. The color graphic organizers will assist the introduction of the skill focus and in guiding your students through their successful writing process.

Most international students need to write essays and reports for exams and coursework. Yet writing good academic English is a demanding task. This new edition of Academic Writing has been fully revised to help students reach this goal. Clearly organised, the course explains the writing process from start to finish. Each stage is demonstrated and practised, from selecting suitable sources, reading, note-making and planning through to re-writing and proofreading. The book is divided into short sections which contain examples, explanations and exercises for use in the classroom or self-study. Cross-references allow easy access to relevant sections, and a full answer key is included. The 3rd edition has been developed in response to suggestions from both students and teachers. Featuring a new website, there is increased coverage of plagiarism, argument, cause and effect, comparison, definitions and academic style. Different forms of writing, including reports and literature reviews, are also covered. All international students wanting to maximise their academic potential will find this easy-to-use, practical book a valuable guide to writing in English for their degree courses.
