Social Research Methods, 4th Edition by Alan Bryman.pdf

[PDF] Social Research Methods, 4th Edition by Alan Bryman ...

Experimental and Survey Research. (D) On the basis of method of research: On the basis of research method we may classify a research into five different categories. (i) Philosophical Research: It is purely qualitative in nature and we are focusing on the vision of others on the content of research.

RESEARCH METHODOLOGY: TOOLS AND TECHNIQUES

There are different types of qualitative research methods like an in-depth interview, focus groups, ethnographic research, content analysis, case study research that are usually used. The results of qualitative methods are more descriptive and the inferences can be drawn quite easily from the data that is obtained. Qualitative research methods originated in the social and behavioral sciences.
