Osho Zen Tarot, from the #1 bestselling mystic and spiritual author Osho! When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration: what will happen in the future? What about my health, the children? What will happen if I make this decision and not that one? This is how the traditional tarot is often used, to satisfy a longing to know about the past and future. The Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple, straightforward and down to earth language of Zen.

Deeply entwined for six centuries, the art of tarot and the science of astrology have an undeniably powerful link. With this unique and user-friendly guidebook, you can easily learn to combine tarot and astrology for yourself—and expand your tarot practice while enriching your life. Well-known tarot reader Corrine Kenner expertly teaches you everything you need to know, starting with tarot and astrology basics, the cards' archetypal symbols and imagery, the twelve signs of the zodiac, and the planets. You'll discover how every card in the tarot deck relates to astrology, and learn to: Read tarot cards and interpret an astrological chart Recognize the twelve houses' ruling signs and planets Pair the planets, signs, and houses with their corresponding tarot cards Understand the astrological associations of the Minor Arcana Make connections among the Court Cards, tarot suits, and the four elements Identify each card's qabalistic associations Give insightful readings for yourself and others You'll also find practical astrological spreads, interpretive techniques, real-life examples, and sample readings for everyday people and famous figures, including Salvador Dali, Marilyn Monroe, and Prince William.

This book describes the philosophy and the use of Aleister Crowley's Thoth Tarot, a deck of Tarot cards designed by Crowley and co-designed and painted by Lady Frieda Harris. The Thoth Tarot has become one of the best-selling and most popular Tarot Decks in the world. It is also one of the most original interpretations of the tarot, incorporating astrological, numerological, Egyptian, and Qabalistic symbolism. While there are many other useful guides to this famous tarot deck, there are no others that explain the deck in its designer's own words. The book is divided into four major parts: \* Part One: The Theory Of The Tarot. \* Part Two: The Atu (Keys or Trumps). \* Part Three: The Court Cards. \* Part Four: The Small Cards. Part One is further divided into three chapters; Part Two into two chapters and an appendix; Part Three into one chapter; and Part Four into one chapter. The book includes a list of plates depicting the Tarot cards as seen by Crowley and Harris.

Tarot Card Combinations is a unique, comprehensive, and highly practical presentation of interpreting the tarot that has helped thousands master the ancient divination. Dorothy Kelly's easy-to-understand approach shares everything one needs to know to unlock the story presented when the cards are drawn. Like other tarot reading guides, basic tarot definitions of the major and minor arcana are included, as well as explanations of basic layout, and how to interpret upright and reversed cards. What makes this book unique is Kelly's presentation of cards in endless combinations, revealing how the cards relate to each other and endowing each card with richer meaning and more subtle nuances than when considered alone. Beginners will learn the basics and be presented with an easy to follow organic system of learning to interpret the cards. Intermediate practitioners can build on what they already know and for advanced readers, Tarot Card Combinations will provide new insight and food for thought. With illustrations showing 2, 3, 4, and 5 card combinations of cards in the popular Waite deck, Tarot Card Combinations is as beautiful as it is informative. Reading tarot cards one after another never reveals the rich meaning of cards considered together. Use Tarot Card Combinations to unlock the depth and meaning of stories revealed in the tarot.

A "how-to" book with 19 lessons and numerous exercises, beginning with the basics and gradually moving into advanced concepts so that you can learn to read the tarot at your own pace. Includes interpretations for all the cards. The author first presented this course on the Internet, and continues to provide website support for students with questions. 178 illustrations using the popular Waite deck. Appendix. Bibliography. Index.

If you're looking for a simple guide to Tarot card meanings in plain English, this book is for you. Inside, you'll find keywords; a range of traditional meanings; correspondences to numerology, astrology, and storytelling; symbols and insights for Rider-Waite and Marseilles decks; and exploration questions for each card. In addition, you'll also find text that will help you apply the card to matters of romance, relationships, work, spirituality, and personal growth. If you're interested in using the cards to tell fortunes or forecast the timing of events, you'll find this information, too! Many readers prefer for their intuition to guide them to the meaning of a card. But Tarot cards do have traditional meanings -- meanings other people have assigned to the cards over time. Some of these meanings are rooted in astrology or numerology. Some are based on obscure texts. Others are based on insights from experienced readers, who have learned to associate certain cards with certain situations. Rather than memorize the meanings in this book, use them to amplify your intuition! Becoming familiar with the information in this guide can help beginners approach the cards with confidence, suggest new associations for each card, and introduce experienced readers to new ways of thinking about specific cards. The information inside can serve as jumping-off points for brainstorming sessions, lend weight to an intuitive reader's first impressions, and suggest insights a purely intuitive reader might overlook. To get the most out of this guide, skim the entire entry for a card, allowing intuition to be your guide. Take your time; look around. While your question may be about a relationship, a turn of phrase in other passages about your card might prompt exactly the insight you need. This book includes detailed entries for all seventy-eight Tarot cards (Major and Minor Arcana). As you know, some guides skip on the Minors -- but not this one! You'll find detailed information for each and every card. In addition, the book is beautifully illustrated with full-color, high-resolution scans of a first-edition Tarot published in 1909.

The Glastonbury Tarot is a blending of philosophical traditions that take the reader through the Pagan, Christian and Arthurian stories associated with the mystical Isle of Avalon. This companion book to The Glastonbury Tarot cards clearly and concisely describes the history, symbolism and divinatory meanings of the 78 cards. Each image reveals a step along the path of the soul's journey, and gently guides the reader towards deeper self-understanding. Lisa Tenzin-Dolma is the author of 16 books, and her visionary paintings have been widely exhibited. She created The Glastonbury Tarot while living in Glastonbury.
