God created every believer to live an empowered, supernatural life! How is this possible? Driven by a quest for a life marked by the power of God, hungry Christians often seek out proven formulas to help grow their faith. While this kind of teaching can be helpful, it fails to create mature sons and daughters of God who radiate His love, power, and glory in every area of life. The great pursuit of every believer should not be a religious formula - it should be the face of God Himself. As we experience Him on a personal level, we begin to live like Jesus, increasingly growing in oneness with Him. In addition to having served as a key leader in the history-making Toronto Blessing, Duncan Smith has led Christians around the globe into life-changing, supernatural experiences with God for over twenty years. Duncan teaches everyday believers how to sustain the fires of revival, not through formula, but through intimacy and union with Jesus Himself! As you read this landmark book... Your heart will become ignited by holy fire. Your passion for Jesus will be awakened like never before. You will receive Heaven's blueprint for a miraculous lifestyle. Your experience of God's love will be upgraded to dimensions you never thought were possible. You can become

the supernaturally empowered Christian that God made you to be! Learn to become one with Him, and watch as every area of your life is infused with holy zeal

Details the Byzantine Tradition--Christian culture that arose in the eastern part of the Roman Empire and fed the rise of Orthodoxy in the Greek and Slavic worlds--and highlights the tradition's science of prayer and emphasis on the quest for holiness. Original.

Lives and writings of ten great leaders: Clement of Alexandria, Athanasius, Basil the Great, John Chrysostom and others. In them we see the apostolic fire become crystallized not only into dogma and external order but also into some of the world's great religious literature.

Debate about the Holy Spirit has been around for a long time. In Holy Fire, best-selling author and respected theologian R. T. Kendall sets the record straight about the Holy Spirit's role in our lives and in the life of the church.

Life's first breath begins a journey filled with separations. Every crossroad we come to requires that something be left behind. This pathway reflects the invisible spiritual realm, where separations began on day one of creation. God's beneficial separations have continued throughout time and continue in our spiritual walk even today. We are called to separate what is holy from what is common. When we answer the call, the difference between God-given natural or common gifts, and spiritual gifts becomes evident. They are as different as a sunrise and sunset. Both common talents and spiritual gifts are given by God for a good purpose, and each does its best work when used as God planned. The work of the Great Commission turns into a major obstacle course as nations reject Christian influence and become post-Christian cultures. This mission is too great a task for the church to accomplish by common means. This study guide powerfully portrays the Spirit of Jesus, who manifests Himself in greater measure as Christians separate themselves from serving by human effort alone. This vital work of the kingdom of heaven was given to us on the day Jesus ascended into heaven, and is made possible by means of the anointing, gifting and empowering work of the Spirit.
