Heart's Blood

Heart's Blood. The crumbling hilltop fortress of Whistling Tor houses a chieftain who is feared and loathed by his own people. A curse lies over Anluan's family; the woods hold a perilous force whose every whisper threatens doom. Yet for troubled young scribe Caitrin, the derelict fortress is a safe haven. For Caitrin is fleeing her own demons.

Heart's Blood - Juliet Marillier

Facts about the human heart A human heart is roughly the size of a large fist. The heart weighs between about 10 to 12 ounces (280 to 340 grams) in men and 8 to 10 ounces (230 to 280 grams) in women. The heart beats about 100,000 times per day (about 3 billion beats in a lifetime). An adult heart ...

Human Heart: Anatomy, Function & Facts

Hearts Blood is an artifact in Tyranny. The handle of Heart's Blood is tightly wrapped with cords of severed human tendons, and the blade itself is curved at an angle that encourages open wounds. This crude design was the product of a mage who translated the pre-Empire runes on the surface of a...

When young scribe Caitrin is retained to sort through family documents at Whistling Tor, she discovers, and begins and to unravel, a web of ancestral sorcery that has crippled Anluan since childhood. Reprint.

National bestselling author Juliet Marillier revisits the classic fairy tale of Beauty and the Beast in this "engaging Gaelic fantasy romance starring two fascinating reluctant souls"(Genre Go Round Reviews). Whistling Tor is a place of secrets, a mysterious, wooded hill housing the crumbling fortress belonging to Anluan-a chieftain whose name is spoken throughout the region in tones of revulsion and bitterness. A curse lies over Anluan's family and his people, and the woods themselves hold a perilous force whose every whisper threatens doom. Then the young scribe Caitrin appears in Anluan's garden, admiring the rare plant known as heart's blood. Retained to sort through entangled family documents, Caitrin brings about unexpected changes in the household, casting a hopeful light against the despairing shadows. But even as Caitrin brings solace to Anluan, and the promise of something more between them, he remains in thrall to the darkness surrounding Whistling Tor. To free Anluan's burdened soul, Caitrin must unravel the web of sorcery woven by his ancestors before it claims his life-and their love...

Whistling Tor is a place of secrets, a mysterious, wooded hill housing the crumbling fortress of a chieftain whose name is spoken throughout the district in tones of revulsion and bitterness. A curse lies over Anluan's family and his people; those woods hold a perilous force whose every whisper threatens doom. For young scribe Caitrin it is a safe haven. This place where nobody else is prepared to go seems exactly what she needs, for Caitrin is fleeing her own demons. As Caitrin comes to know Anluan and his home in more depth she realizes that it is only through her love and determination that the curse can be broken and Anluan and his people set free.

The first book in the Whistling Tor series from the acclaimed author of Shadowfell and the Sevenwaters series "Marillier, with her graceful storytelling and talent as a folklorist, crafts a love story with magical underpinnings" Library Journal Caitrin, daughter of Berach, flees her home in Market Cross, running from her grief and mistreatment at the hands of her kinsfolk. Bruised and alone she arrives at Whistling Tor - a formidable fortification presided over by the local chieftain, Anluan. The villagers scorn and curse him for being a weak and unsupportive leader, unresponsive to their pleas for him to rid the surrounding forest of the ghostly and eerie manifestations that have plagued it for generations. But desperate for work and shelter, Caitrin ignores their warnings, thinking them nothing more than fanciful tales and seeks refuge at the Tor. Here she encounters giant hounds, malevolent whispering in the night and the rare and precious herb, Heart's Blood; not to mention the moody and cursed Anluan. As Caitrin slowly begins to regain control of her life, she discovers that not everything is as it seems in this mysterious place. What does Anluan's skewed features and anger hide? Who are the men and women of the Host? What might the ancient manuscripts and family documents in the library reveal? And why does Caitrin get the distinct impression that there is a dark and powerful force on the hill that doesn't want her to find the truth? "Juliet Marillier is a fine fantasy writer." Anne McCaffrey Fans of Marion Zimmer Bradley, Isobelle Carmody and Robin Hobb will love Juliet Marillier.

A generation past, the western realms were embroiled in endless war. Then the Destroyer came. From the blood and ashes he left behind, a tenuous alliance rose between the barbarian riders of Parasathe and the walled kingdoms of the south. That alliance is all that stands against the return of an ancient evil-until the barbarian king and queen are slain in an act of bloody betrayal. Though forbidden by the alliance council to kill the corrupt king responsible for his parents' murders, Maddek vows to avenge them, even if it costs him the Parasathan crown. But when he learns it was the king's daughter who lured his parents to their deaths, the barbarian warrior is determined to make her pay. Yet the woman Maddek captures is not what he expected. Though the last in a line of legendary warrior-queens, Yvenne is small and weak, and the sharpest weapons she wields are her mind and her tongue. Even more surprising is the marriage she proposes to unite them in their goals and to claim their thrones-because her desire for vengeance against her father burns even hotter than his own...

In her now classic novel *Outlander*, Diana Gabaldon told the story of Claire Randall, an English ex-combat nurse who walks through a stone circle in the Scottish Highlands in 1946, and disappears . . . into 1743. The story unfolded from there in seven bestselling novels, and CNN has called it "a grand adventure written on a canvas that probes the heart, weighs the soul and measures the human spirit across [centuries]." Now the story continues in *Written in My Own Heart's Blood*. 1778: France declares war on Great Britain, the British army leaves Philadelphia, and George Washington's troops leave Valley Forge in pursuit. At this moment, Jamie Fraser returns from a presumed watery grave to discover that his best friend has married his wife, his illegitimate son has discovered (to his horror) who his father really is, and his beloved nephew, Ian, wants to marry a Quaker. Meanwhile, Jamie's wife, Claire, and his sister, Jenny, are busy picking up the pieces. The Frasers can only be thankful that their daughter Brianna and her family are safe in twentieth-century Scotland, or not. In fact, Brianna is searching for her own son, who was kidnapped by a man determined to learn her family's secrets. Her husband, Roger, has ventured into the past in search of the missing boy . . . never suspecting that the object of his quest has not left the present. Now, with Roger out of the way, the kidnapper can focus on his true target: Brianna herself. *Written in My Own Heart's Blood* is the brilliant next chapter in a masterpiece of the imagination unlike any other.

It is June 1778, and the world seems to be turning upside-down. The British Army is withdrawing from Philadelphia, with George Washington in pursuit, and for the first time, it looks as if the rebels might actually win. But for Claire Fraser and her family, there are even more tumultuous revolutions that have to be accommodated. Her former husband, Jamie, has returned from the dead, demanding to know why in his absence she married his best friend, Lord John Grey. Lord John's son, the ninth Earl of Ellsmere, is no less shocked to discover that his real father is actually the newly resurrected Jamie Fraser, and Jamie's nephew Ian Murray discovers that his new-found cousin has an eye for the woman who has just agreed to marry him. And while Claire is terrified that one of her husbands may be about to murder the other, in the 20th century her descendants face even more desperate turns of events. Her daughter Brianna is trying to protect her son from a vicious criminal with murder on his mind, while her husband Roger has disappeared into the past . . .

Claire Randall is leading a double life. She has a husband in one century, and a lover in another... In 1945, Claire Randall, a former combat nurse, is back from the war and reunited with her husband on a second honeymoon-when she innocently touches a boulder in one of the ancient stone circles that dot the British Isles. Suddenly she is a Sassenach-an "outlander"-in a Scotland torn by war and raiding border clans in the year of our Lord..1743. Hurlled back in time by forces she cannot understand, Claire's destiny in soon inextricably intertwined with Clan MacKenzie and the forbidden Castle Leoch. She is catapulted without warning into the intrigues of lairds and spies that may threaten her life ...and shatter her heart. For here, James Fraser, a gallant young Scots warrior, shows her a passion so fierce and a love so absolute that Claire becomes a woman torn between fidelity and desire...and between two vastly different men in two irreconcilable lives.
