The Story of My Life is an autobiography by Helen Keller. It is the story of Helen Keller and her life as a deaf and blind girl, and her triumph over these tribulations. In the book, she reveals her frustration and rage over her condition. It details her educational achievements and her introduction to the world through her breakthrough into communication. The story was written by Helen Keller when she was just 22 years old. The Story of My Life is a tale of the courage and unbreakable will of Helen Keller. The book has been adapted into a television series, a Broadway play, a Hollywood feature film, and an Indian feature film.

The Story of My Life, first published in 1903, is Helen Keller's autobiography detailing her early life, especially her experiences with Anne Sullivan. Portions of it were adapted by William Gibson for a 1957 Playhouse 90 production, a 1959 Broadway play, a 1962 Hollywood feature film, and the Indian film "Black", which was directed by Sanjay Leela Bhansali. The book is dedicated to inventor Alexander Graham Bell. The dedication reads, "To ALEXANDER GRAHAM BELL Who has taught the deaf to speak and enabled the listening ear to hear speech from the Atlantic to the Rockies, I dedicate this Story of My Life."

The autobiography of Helen Keller, who lost both sight and hearing by illness at nineteen months, and became a famous author and lecturer.

Helen Keller's triumph over her blindness and deafness has become one of the most inspiring stories of our time. Here, in a book first published when she was young woman, is Helen Keller's own story—complex, poignant, and filled with love. With unforgettable immediacy, Helen's own words reveal the heart of an exceptional woman, her struggles and joys, including that memorable moment when she finally understands that Anne's finger-spelled letters w-a-t-e-r mean the fluid rushing over her hand. Helen Keller was always a compassionate and witty advocate for the handicapped, and her sincere and eloquent memoir is deeply moving for the sighted and the blind, the deaf and the hearing. "Her spirit will endure," said Senator Lister Hill at her funeral, "as long as man can read and stories can be told of the woman who showed the world there are no boundaries to courage and faith." Through movies and plays, most notably *The Miracle Worker*, which portrayed her relationship with her teacher, Anne Sullivan, Keller's life has become an emblem of hope for people everywhere. With an Introduction by Jim Knipfel and an Afterword by Marlee Matlin This Signet Classic edition includes a facsimile of the Braille alphabet, a sign-language alphabet, and a full selection of Helen Keller's letters.

The author's personal recollections and correspondence reveal Keller's relationship with her beloved teacher, Annie Sullivan, and the problems and obstacles she encountered as she struggled to overcome her handicaps. Reissue.

This is Helen Keller's famous and inspiring autobiography of her childhood as a deaf-blind girl. Illness at 19 months left Helen bereft of sight, hearing and speech and she struggled for years to connect with those around her. But when her teacher, Anne Sullivan, came to teach the 7 year old to communicate, the world opened up to Helen.

Pt. 1. The story of my life -- Pt. 2. Introduction to letters. Letters -- Pt. 3. A supplementary account of Helen Keller's life and education.

These poetic, inspiring essays offer remarkable insights into the world of a gifted woman who was deaf and blind. Keller relates her impressions, perceived through the senses and imagination, of the world's beauty and promise.

Helen Keller had absolutely no hearing or eyesight from the age of two, but became one of the most inspiring and well known people to have ever lived. For a number of years she functioned, in her words, simply as "an unconscious clod of earth." Then quite suddenly, she experienced the impact of "another mind" within her own. Despite not knowing where it came from or how it got there, she awoke to a new awareness of being able to talk and listen with her hands. She learned to read and write, wrote at least ten books, and attended college. Her religion developed from living deeply within her spiritual self, cut off from normal sensation, and spending her life on a spiritual plane. She incorporated her own experiences with the teachings of Emanuel Swedenborg, a mystic born in 1688, and the Swedenborgian Church. Swedenborg, like Keller, had experienced other realms of spirit and transmitted deeper teachings that Helen saw with great clarity. She wrote this book after receiving many requests for her to describe her religious beliefs.
