Manual mode - Indicated by solid red/green leds. This is traditional, full-manual shifting. Shift mode 1 (S1) - Indicated by both red and green leds flashing twice. The default S1 mode is semi-synchro: automatically shift the rear derailleur when you shift the front derailleur. Shift mode 2 (S2) - Red and green leds flash three times. By default this is full-synchro and this automatically shifts the front derailleur as you shift the rear derailleur.
