Howards End thus presents a case for practicality. Forster gives space to the seemingly mundane to give it value. Leonard 's character reinstates the value of practical matters behind the veil of intellectualism in the modern period. Leonard is introduced to the novel by means of an object: a seemingly insignificantumbrella.

Howards End, which Forster published in 1910, is sometimes viewed as the last of the great nineteenth century condition of England novels. Forster spreads his plot over a wide range of social classes and conditions, and demonstrates the fact that they're all inextricably connected, and that the strictly hierarchical social system of the now-dead Victorian period no longer applies.

Tibby was sensitive to beauty, the experience was new, and he gave a description of his visit that was almost glowing. The august and mellow University, soaked with the richness of the western counties that it has served for a thousand years, appealed at once to the boy's taste: it was the kind of thing he could understand, and he understood it all the better because it was empty.
