lived, and written by a master of commercial real estate: Craig Coppola. Craig has navigated the markets, ridden economic ups and downs, and bought and sold countless commercial projects - and he's mastered the world of brokerage, leasing and investing. Readers will learn how to set their own commercial investment goals and create a plan to achieve them, see opportunities with new "real-estate eyes," perform due diligence on a property with minimal cost, use a proven step-by-step process for evaluating properties to weed out losers and showcase winners, and traverse the minefield of letters of intent and contracts.
