Kazakhstan `s Constitution, adopted in 1995 during a critical period in the history of our state, and which relied on elevated international legal guidelines, recognised the natural character of human rights, approving the most important provision that " Human rights and liberties shall belong to everyone by virtue of birth, be recognised as absolute and inalienable " .

Human Rights - A Global and National Priority - The Astana ...

The real crisis of human rights, one far deeper than the heartrending fate of refugees had made plain, is that moral precepts and practices around the world remain very far from what human rights and other emancipatory values demand. Virtue has never been strong on its own, and it needs cultivation, or people will not live well.

Human Rights in the Absence of Virtue - Yale University

of the virtues must involve at least the nonviolation of human rights, and the most important moral virtues are dispositions to act for the promotion of human rights.

Rights and Virtues - JSTOR

Humanity is a virtue associated with basic ethics of altruism derived from the human condition.It also symbolises human love and compassion towards each other. Humanity differs from mere justice in that there is a level of altruism towards individuals included in humanity more so than the fairness found in justice. That is, humanity, and the acts of love, altruism, and social intelligence are ...

Humanity (virtue) - Wikipedia

This essay briefly presents an alternative approach to human rights built over a long period of campaigning and scholarship in a trilogy of books.1 It follows the insight that the term human rights, with its immense symbolic capital, has been co-opted to a large number of relatively independent discourses, practices, institutions and campaigns.

In Man and the State, Maritain gives a brief explanation of how a teleological view of man and society affects the way he understands the place of rights in human life. It is by virtue of the hierarchy of values to which we subscribe that we determine the way in which the rights of man, economic and social as well as the individual should in our own eyes, pass into the realm of existence.

Rights, Virtue, and the Common Good - Crisis Magazine

Virtue ethics theory. This theory is guided by the question of whether a course of action respects human rights or not. Every human being is endowed with certain inalienable rights and entitlements. The rights and entitlements underscore the importance of treating all human beings with dignity, fairness and equality irrespective of their cultural backgrounds.
