Many things like climate change, lack of food, polluted water, and resource depletion would vanish almost overnight. Even many wars which are about resources would end immediately. If the earth's population were 2 billion instead of 7 billion, the overwhelming majority of today's issues would not exist. It's sad, but I agree.

Reading for Today is five-level reading skills program that systematically develops students' reading and vocabulary skills.

Face the Issues is an exciting and highly successful approach to listening comprehension and discussion for intermediate and high-intermediate students. Each of the twelve units is based on an authentic radio broadcast taken from National Public Radio's "All Things Considered" and "Morning Edition." Students are presented with interesting and relevant content in unedited everyday speech including hesitations, redundancies, and various dialectical patterns.
