I think James Sprunt Community College is a great junior college to attend. The instructors there seem to really be concerned if one makes it in life as a whole. Even with a small staff, James Sprunt excels in offering a family oriented atmosphere and great educational opportunities. They are the Bridge to Success! SAnderson746

James Laurence Sprunt in Star-News - May 24 1949 North Carolina Newspapers, 1852-2009 ...

On October 19, 1781, British general Charles Lord Cornwallis surrendered his army at Yorktown, effectively ending the Revolutionary War and conceding the independence of the United States of America. Britain soon overcame the humiliation of defeat by expanding its empire elsewhere. Five years after Yorktown, Cornwallis was installed as governor and commander of the army in India, determined to make the subcontinent the brightest jewel in the British crown. Officers who served under him during the War rose to high positions in the British army and navy. Emulating Cornwallis's deep sense of duty to king and country, they vigorously pursued the conquest of India, put down the 1798 Irish Rebellion, defended Canada, defeated the Dutch at the Cape of Good Hope, occupied Ceylon and battled Napoleon. Prominent among them was General Sir James Henry Craig, governor of Canada, whose clumsy attempt to spy on the U.S. was a factor in setting off the War of 1812.

In the 1820s, young congressman Willie Mangum imbibed the political philosophy of North Carolina's senior senator Nathaniel Macon, the "prophet of pure republicanism." From his election in 1824, Mangum was at the epicenter of national and state government. In the 1830s, he emerged as leader of an opposition party--the Whigs--and became an opponent of Andrew Jackson and his Democratic Party. Mangum's career offers insight into the ideology and politics of North Carolina's Whigs. Opposition to executive power was fundamental to the Whig platform but in North Carolina the party was a coalition that melded the Old Republicans' creed with the National Republican economic agenda touted by Henry Clay, a combination that enabled them to dominate. Mangum and the Carolina Whigs have received little attention from scholars. This book traces their rapid rise to power and their even more rapid fall in the years prior to the Civil War.
