5.0 out of 5 stars Ketchup on Your  
Cornflakes. Reviewed in the  
United States on January 18,  
2011. Verified Purchase. The book  
is wonderful and kids love it. It is  
also good for adults to have fun  
with, but the company I bought it  
through (the book  
depository) stinks. Their service  
was slow to none at all.
