Sometimes, getting over pain and betrayal means Getting Up, Getting Even and Getting a Better Man! Astrid has planned out her perfect wedding. That is before she found out that her fiance, Bryan, is cheating on her with her cousin-slash-best-friend-slash-maid-of-honor, Geena. Worse, Bryan got Geena pregnant. Just when Astrid thought it couldn't get any worse, she received an invitation telling her that her Fairy Tale wedding will happen exactly the way she planned it. Except that she is no longer going to be the bride! So when her parents urged her to attend the wedding "as family," she planned the perfect revenge. She hired Ryder, the smoking hot bartender she met, to pretend to be the perfect Prince Charming--rich, smart and totally in love with her. Ryder pulled off the role quite well. And soon, everybody thought Astrid was really with a smoking hot guy who wears expensive suits on a daily basis, drives a luxurious sports car, and is totally in love with her. Ryder pulled off the role quite well. And soon, everybody thought Astrid was really with a smoking hot guy who wears expensive suits on a daily basis, drives a luxurious sports car, and is totally in love with her. Astrid invented the perfect guy every girl would kill to date, and every ex-boyfriend would hate to be compared with. Or did she really just invent him? What if she really did kiss a frog and tamed a beast? And her quest for revenge was really the start of her happily ever after?

Abandoned by her lover after a quarrel, Dougless Montgomery is stranded in rural England, but with the sudden appearance of Nicholas Stafford, Earl of Thornwyck--who died centuries ago--a passionate affair begins.

The women in Brianne Montgomery's family have a curse that compels them to marry before the age of thirty-one, and she wasn't going to be the first one to break it. Her life seemed perfect. Her parents were happily married and she had a wonderful brother who looked out for her. The only thing she hated about her life was Travis Cross-her brother's annoying best friend. But Brianne's life took a sudden turn with a tragic death in her family. In an instant, she lost everything she held close to her in her perfect life. Travis made a promise to protect Brianne for the rest of his life. And Travis is one person who knows how to keep his promises, no matter what the cost. Soon, their once hateful relationship turned into an unbreakable bond of love and friendship. However, their dependent and comfortable relationship would always be complicated because of the yearning inside Travis that craved Brianne like a drug. And Brianne struggled to stay immune to his charms. She had already lost so much,

and Travis had become the most important thing she couldn't afford to gamble with. This romance deals with family, divorce, death, and teen peer pressure... all of which make up the deep and unbreakable connection of Travis and Brianne. A relationship so beautiful, they're afraid to risk it for anything... not even for love itself.

From Jerilee Kaye, author of best-selling novel "Knight in Shining Suit", comes the spin-off of the top-grossing interactive story, "All the Wrong Reasons". One last adventure. That was all Julianne wanted. One last trip to escape the pressures of an arranged marriage to a man she doesn't love and doesn't even like. One last time to experience freedom... to go wherever she wanted to go, to be anyone she wanted to be. On her last two weeks in Paris, she met someone unexpected--aspiring painter, Jas Mathieu. He was as handsome as hell, and as sweet as heaven. He captured her heart, lit her fire and consumed her soul. She wanted to give Jas every part of herself, but she was already promised to a powerful man who could easily ruin the simple life of the guy she fell in love with. Terrified of what her father and fiancé could do to Jas if she stayed with him, she fled Paris and left him behind--with no real information about herself, not even her real name. Little did she know, that the passionate night they spent together would be the cause of her broken engagement and would change her life forever. Seven years later, after her father stripped her of her heiress title and privileges, she crossed paths with Jas Mathieu once again. And this time, she found out that he wasn't exactly the struggling artist she thought he was. And he was no stranger to the family and social circle she belonged to. It turned out that years ago, when they met... she wasn't the only one keeping secrets.

Adrienne prides herself for being smart, prim and proper. She doesn't go against the rules of society and refuse to even take a shot of Tequila. In other words: Conservative. Boring. Instead of having fun and letting her spirit run free, she spent almost all her life trying to gain her mother's approval, measuring up to her sister's greatness, and proving herself worthy of her boyfriend's love and attention. She's been lying to everybody, including herself, about who she really was. But no matter what she does, she just can't seem to live up to their expectations. And then she got fed up and decided to let loose. For just one night. She left her eyeglasses, flat shoes, long skirt and knitted sweater behind. In high heels and a dress that accented her long legs and curves, she went to a club by herself and decided to find out what it was like to have a good time. Her night couldn't even be more perfect when Justin Adams, the city's most sought after bachelor, a.k.a. most notorious playboy fell prey to the charms she didn't even know she possessed. Justin was every girl's dream boat, but he never committed to a woman. He didn't date and didn't do relationships. So, Adrienne thought after that night, she didn't have to deal with him again. He would forget about her and her secret night of fun was safe with him. But what she did not expect was that Justin wasn't about to let her go that easily. And what was supposed to be just a one-night stand with the City's most wanted playboy, became a full-blown secret affair. In the eyes of her friends and family, she had a boyfriend named Troy. But within the walls of her bedroom, she belonged to Justin. However, her new-found bliss would be threatened by the secrets that Justin keeps and the past that her parents kept from her. Soon, she will find out that she's been living her life with all the right intentions... but for all the wrong reasons.
