a B.S. degree in Business Administration with an option in Business Law. This program prepares students to analyze complex problems, think critically and communicate effectively, while learning the legal principles pertinent to making business decisions.

## *Business Administration, B.S. - Business Law*

As a legal concept, administration is a procedure under the insolvency laws of a number of common law jurisdictions, similar to bankruptcy in the United States. It functions as a rescue mechanism for insolvent entities and allows them to carry on running their business. The process – in the United Kingdom colloquially called being "under administration" – is an alternative to liquidation or may be a precursor to it. Administration is commenced by an administration order. A company in ...
