Through stunning National Geographic content, video, and engaging topics, Life inspires a generation of informed decision-makers. With Life, learners develop their ability to think critically and communicate effectively in the global community.

Life is an exciting new six-level adult series that turns learning English into an exploration of the world we live in by drawing on National Geographic content such as images, articles and videos. Student's Book contains: engaging tasks with fascinating NG content ; review at end of each unit ; grammar reference with practice activities. CEF: A1-C1.

Now in a new edition, National Geographic Learning brings the world to your classroom with Life, a six-level integrated-skills series with grammar and vocabulary for young adult and adult English language learners. Through stunning National Geographic content, video, and engaging topics, Life inspires a generation of informed decision-makers. With Life, learners develop their ability to think critically and communicate effectively in the global community.

Records the author's experiences as a Peace Corps English teacher in the small Chinese city of Fuling, during which time he witnessed such events as the death of Deng Xiaoping and the return of Hong Kong to the mainland.

insight will challenge, develop and inspire your students. It will motivate and engage them with thought provoking topics and information rich texts which will challenge their opinions and inspire them to think critically about the world they live in. It will prepare them for a life of learning with a clear focus on developing their skills and autonomous learning habits. It will give your students a deeper awareness of how language works, furnishing them with not just the meaning of vocabulary but also the rules that govern its use, allowing your students to use it with confidence.

Presents a five-level course for adults, which focuses on contemporary themes, language and learning styles that are relevant to adult learners. This title includes photocopiable worksheets, tests and videos, and the ready-made lessons can be used as they stand, or adapted using the optional activities suggested in the Teacher's Book.

Featuring remarkable people communicating passionately and persuasively, TED Talks provide the ELT classroom with inspiring ideas and an unparalleled source of authentic language input.
