Annotated Teacher S Edition Mcdougal Littell Americans
Holt McDougal Information : Our Back to School site offers free webinars, video tutorials, and more for back to school support!Click here for updates

Explores the story of United States history, weaving the reflections of people who experienced history firsthand throughout the narrative. Thought-provoking lessons make history human and relevant to students' everyday lives, helping them to realize the richness of our nation's history. Identifies themes in geography and technology that influenced American history.

The Americans focuses on nine themes: Diversity and the national identity; America in world affairs; Economic opportunity; Science and technology; Women and political power; Immigration and migration; States' rights; Voting rights; Civil rights. - p. [xxviii].

Text includes nine units and thirty-four chapters of study of United States history and the people that helped shape that history.

Text includes nine units and thirty-four chapters of study of United States history and the people that helped shape that history.

Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.
