These are the idea killers, the energy sappers, the diminishers of talent and commitment. On the other side of the spectrum are leaders who use their intelligence to amplify the smarts and capabilities of the people around them. When these leaders walk into a room, light bulbs go off over people's heads; ideas flow and problems get solved. These are the leaders who inspire employees to stretch themselves to deliver

Take on new challenges? With the right mindset—with Rookie Smarts—you can. In a rapidly changing world, experience can be a curse. Careers stall, innovation stops, and strategies grow stale. Being new, naïve, and even clueless can be an asset. For today's knowledge workers, constant learning is more valuable than mastery. In this essential guide, leadership expert Liz Wiseman explains how to reclaim and cultivate this curious, flexible, youthful mindset called Rookie Smarts. She argues that the most successful rookies are hunter-gatherers—alert and seeking, cautious but quick

Like firewalkers, and hungry and relentless like pioneers. Most importantly, she identifies a breed of leaders she refers to as "perpetual rookies." Despite years of experience, they retain their rookie smarts, thinking and operating with the mindsets and practices of these high-performing rookies. Rookie Smarts addresses the questions every experienced professional faces: "Will my knowledge and skills become obsolete and irrelevant? Will a young, inexperienced newcomer upend my company or me? How can I keep up?" The answer is to stay fresh, keep learning, and know when

Leadership and question which one you want to be. Author Liz Wiseman posits that there are two types of leaders: Multipliers and Diminishers. Where Multipliers encourage those around them to grow, Diminishers inhibit growth through setting negative examples and leaching motivation from the team. Wiseman thus explains how to unpack each leadership style, identify which type of leader you are, and what steps you can take if you want to become a Multiplier.

The Globe & Mail's #1 Business Book of the Year! "ALL IN, ALL THE TIME" Low performance and high turnover is not the result of lazy, apathetic workers. It's not about decreasing budgets. And it's not about a terrible economy. It's about leadership that doesn't engage employees. In Nine Minutes on Monday, leadership guru James Robbins argues that employee engagement comes down to one thing: a constant dedication

to meeting the universal needs that drive performance excellence. In today's chaotic, high-stakes business environment, it is easy to get distracted from leadership responsibilities by focusing on tasks at hand instead of on strategy. But when you neglect to keep your leadership priorities in front of you, everyone suffers--your staff, your organization and, in the end, you. Whether you lead a small team or an entire organization, you'll discover the nine keys to raising productivity, boosting morale, and increasing employee engagement. Nine Minutes on
