breakthrough you need to flesh out your story. • Jewell Parker Rhodes shares how good dialogue is not just about what is being said but about what is being left unsaid. Brimming with imaginative springboards and hands-on exercises, *Naming the World* has everything you need to become a stronger, more inventive writer. "A delicious book. Imagine yourself at a cocktail party crammed with literary lions. You have the chance to spend a few moments with each of them. Wit and wisdom abound." –Julia Cameron, author of *The Artist's Way* "A highly useful and perceptive book. With charm and intelligence it touches on nearly every teachable aspect of the devilishly difficult art of writing." –Ethan Canin, professor of creative writing at the Iowa Writers Workshop, and author of *Carry Me Across the Water* "These entertaining and useful exercises, intelligently organized, are a boon for both beginning and experienced writers." –Andrea Barrett, National Book Award—winning author of *The Air We Breathe* "Forget about getting an MFA! For any writer struggling with his craft, here is the equivalent of a master class in writing by some of the best writer/teachers around." –Betsy Lerner, author of *The Forest for the Trees: An Editor's Advice to Writers*

The acclaimed author of *Jesus' Son* and *Already Dead* returns with a beautiful, haunting, and darkly comic novel. *The Name of the World* is a mesmerizing portrait of a professor at a Midwestern university who has been patient in his grief after an accident takes the lives of his wife and child and has permitted that grief to enlarge him. Michael Reed is living a posthumous life. In spite of outward appearances -- he holds a respectable university teaching position; he is an articulate and attractive addition to local social life -- he's a dead man walking. Nothing can touch Reed, nothing can move him, although he observes with a mordant clarity the lives whirling vigorously around him. Of his recent bereavement, nearly four years earlier, he observes, "I'm speaking as I'd speak of a change in the earth's climate, or the recent war." Facing the unwelcome end of his temporary stint at the university, Reed finds himself forced "to act like somebody who cares what happens to him." Tentatively he begins to let himself make contact with a host of characters in this small academic town, souls who seem to have in common a tentativeness of their own. In this atmosphere characterized, as he says, "by cynicism, occasional brilliance, and small, polite terror," he manages, against all his expectations, to find people to light his way through his private labyrinth. Elegant and incisively observed, *The Name of the World* is Johnson at his best: poignant yet unsentimental, replete with the visionary imaginative detail for which his work is known. Here is a tour de force by one of the most astonishing writers at work today.

A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

Magdalen Vanstone and her sister Norah learn the true meaning of social stigma in Victorian England only after the traumatic discovery that their dearly loved parents, whose sudden deaths have left them orphans, were not married at the time of their birth. Disinherited by law and brutally ousted from Combe-Raven, the idyllic country estate which has been their

## File Type PDF Naming The World And Other Exercises For Creative Writer Bret Anthony Johnston

peaceful home since childhood, the two young women are left to fend for themselves. While the submissive Norah follows a path of duty and hardship as a governess, her high-spirited and rebellious younger sister has made other decisions. Determined to regain her rightful inheritance at any cost, Magdalen uses her unconventional beauty and dramatic talent in recklessly pursuing her revenge. Aided by the audacious swindler Captain Wragge, she braves a series of trials leading up to the climactic test: can she trade herself in marriage to the man she loathes? Written in the early 1860s, between *The Woman in White* and *The Moonstone*, *No Name* was rejected as immoral by critics of its time, but is today regarded as a novel of outstanding social insight, showing Collins at the height of his powers.

“Enthralling . . . [an] exquisitely moral mystery of how we struggle to accept and love the people we call family.”—The New York Times Book Review (Editor’s Choice) **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Esquire • BookPage** A gripping novel with the pace of a thriller but the nuanced characterization and deep empathy of some of the literary canon’s most beloved novels, *Remember Me Like This* introduces Bret Anthony Johnston as one of the most gifted storytellers writing today. With his sophisticated and emotionally taut plot and his shimmering prose, Johnston reveals that only in caring for one another can we save ourselves. Four years have passed since Justin Campbell’s disappearance, a tragedy that rocked the small town of Southport, Texas. Did he run away? Was he kidnapped? Did he drown in the bay? As the Campbells search for answers, they struggle to hold what’s left of their family together. Then, one afternoon, the impossible happens. The police call to report that Justin has been found only miles away, in the neighboring town, and, most important, he appears to be fine. Though the reunion is a miracle, Justin’s homecoming exposes the deep rifts that have diminished his family, the wounds they all carry that may never fully heal. Trying to return to normal, his parents do their best to ease Justin back into his old life. But as thick summer heat takes hold, violent storms churn in the Gulf and in the Campbells’ hearts. When a reversal of fortune lays bare the family’s greatest fears—and offers perhaps the only hope for recovery—each of them must fight to keep the ties that bind them from permanently tearing apart. Praise for *Remember Me Like This* “An aching beautiful and psychologically insightful portrait of a family . . . [a] fully immersive novel in which the language is luminous and the delivery almost flawless.”—The Boston Globe “Riveting . . . flows like it was plotted by Dennis Lehane but feels like it was written by Jonathan Franzen.”—Esquire “Tremendously moving . . . There’s real humanity in Johnston’s writing, and it’s heartening to spend time with these folks as they relearn how to

be a family.”—Ron Charles, *The Washington Post* “Deeply empathetic and masterfully constructed . . . a novel that has both the feel of a great epic and the focused intensity of standing on a highwire.”—Salon

From an acclaimed and award-winning young writer comes an intensely moving debut collection set in the eye of life's storms. In Corpus Christi, Texas—a town often hit by hurricanes—parents, children, and lovers come together and fall apart, bonded and battered by memories of loss that they feel as acutely as physical pain. A car accident joins strangers linked by an intimate knowledge of madness. A teenage boy remembers his father's act of sudden and self-righteous violence. A “hurricane party” reunites a couple whom tragedy parted. And, in an unforgettable three-story cycle, an illness sets in profound relief a man's relationship with his mother and the odd, shifting fidelity of truth to love. Told in fresh, lyrical voices and taut, inventive styles, these narratives explore the complex volatility of love and intimacy, sorrow and renewal—and expose how often these experiences feel like the opposite of themselves. From the woman whose young son's uncanny rapport with snakes illuminates her own missed opportunities to the man confronting his wife and her lover in a house full of illegal exotic birds, all the characters here face moments of profound decision and recognition in which no choice is clearly or completely right. Writing with tough humor, deep humanity, and a keen eye for the natural environment, Bret Anthony Johnston creates a world where where cataclysmic events cut people loose from their “regular lives, floating and spiraling away from where we had been the day before.” *Corpus Christi* is an extraordinarily ambitious debut. It marks the arrival of an important, exquisitely talented voice to American fiction.
