The Exam Preparation Workbook (Year 12 only), prepares students for external exams by taking them through actual past Victorian external exam questions. They have been constructed to guide students through a sequence of preparatory steps and build confidence leading up to the external exams. Fully worked solutions, notes on common errors to be aware of and commentary from the Victorian examiner's report are included for each question.

These popular and proven workbooks help students build confidence before attempting end-of-chapter problems. They provide short problems and exercises that focus on developing a particular skill, often requiring students to draw or interpret sketches and graphs, or reason with math relationships. New to the Second Edition are exercises that provide guided practice for the textbook's Problem-Solving Strategies, focusing in particular on working symbolically.

This 21-chapter workbook is a comprehensive source of instruction for students who need additional grammar, punctuation, and mechanics instruction. Each chapter provides ample explanation, examples, and exercise sets. The exercises contain enough variety to ensure a student's mastery of each concept.

Organized into one- or two-page worksheets that present a topic and provide practice, Workbook in Everyday Spanish is a tried and true approach to reviewing grammar, vocabulary, and sentence structure. It includes clear and concise explanations in English of key grammatical points followed by straightforward examples that guide users through the accompanying exercises. The topics are then reinforced in self-contained review sections, followed by a word game (Buscapalabras) that keeps readers' interest level high. For employees in organizations and businesses where a working knowledge of Spanish grammar, vocabulary, and sentence structure is necessary.
