Pirates of the Caribbean is one of the most popular and beloved attractions in Disney theme park history, and can be found in each Magic Kingdom Park around the globe. Pirates of the Caribbean: From the Magic Kingdom to the Movies will illustrate how the scalawags and buccaneers made the voyage from sketches to reality, evolving from early story concepts to adaptations and changes as it moved into each of the parks around the four corners of the world, to the very latest ideas for show enhancement. The second part of the book takes a virtual tour through the attraction, using the original Disneyland version as the "home port" and then traveling through the differences and additions of the attraction at all the other theme parks. The third part of the book chronicles this classic theme park attraction's translation (back) into the motion picture that launched a franchise, Pirates of the Caribbean: The Curse of the Black Pearl, including an exclusive look at the earliest story concepts, shooting on location in the Caribbean and on Disney Studio soundstages, the birth of the cursed buccaneers inside a computer at ILM, the birth of teen idols in Orlando Bloom and Keira Knightley, and Johnny Depp's triumphant Academy Award nomination for Best Actor. Now a fourth section showcases the theme park attraction addition of Audio-Animatronics Jack Sparrow and Barbossa, and has many more, all new images from Pirates of the Caribbean; Dead Man's Chest.

Still on a mission to find the legendary Sword of Cortâes, the crew of the Barnacle becomes entranced by an ethereal song that pulls them away from their mission, leaving Captain Jack Sparrow to find the source behind the dark spell.

"You believe in pirates, of course?" Walt Disney once asked on a Disneyland television program. . . . Disney Pirates: The Definitive Collector's Anthology delves behind-the-scenes across ninety years of Disney film, television, and park history. Pirates have captured people's imaginations for centuries, and Walt Disney believed in pirates as a source of great popular entertainment. Walt's very first all live-action feature film was based upon Robert Louis Stevenson's Treasure Island, and even before that, he selected J. M. Barrie's Peter Pan, in which pirates figure so prominently, as a key feature-length animated film for his studio. Years later, Pirates of the Caribbean opened in Disneyland just months after Walt had passed away, making it one of the last Disney theme park attractions in which he was personally involved. That attraction ultimately spawned similar versions at Disney parks around the world, one of the most successful series in motion picture history with the five Pirates of the Caribbean films, and a vast themed land at Shanghai Disneyland called Treasure Cove--celebrating the entirety of the Pirates of the Caribbean franchise.

The Art of Pirates of the Caribbean presents a definitive, exclusive look into the preparation and production of the successful movie trilogy. Overflowing with hundreds of full-color images, the book showcases concept drawings, set designs, and costume sketches, as well as the intricate props, set pieces, and even special effects that contribute so much to the Pirates mythology. Even the cover is visually arresting--imitating the leather-covered log of a ship's captain. Also included is special commentary from the unit publicist who was there to see it all. For Pirates fans everywhere, this treasure chest of art and design from the entire movie trilogy is a visual feast that promises hours of endless browsing pleasure.

Jacob Hunt è un adolescente autistico. Non sa interpretare i comportamenti e i gesti degli altri e gli altri non capiscono i suoi. Come molti ragazzi affetti dalla sindrome di Asperger, Jacob ha degli interessi spiccati, anzi ossessivi: la sua passione sono i casi giudiziari e più di una volta si è presentato sulla scena di un crimine per offrire il suo aiuto - spesso risolutivo - alla polizia. Il fratello minore Theo, invece, è un tipo del tutto diverso, cioè... normale. Fin da piccolo però ha dovuto confrontarsi con le stranezze di Jacob e anche lui ha finito per sviluppare una personale ossessione: spiare le case degli altri, quelle delle famiglie diverse dalla sua, cioè delle famiglie normali, che a lui sembrano più felici. La sua gli sembra una famiglia con una vita troppo complicata, che diventa addirittura impossibile quando accade un fatto terribile: l'insegnante di sostegno di Jacob viene ritrovata morta e con segni di violenza sul corpo. Molti indizi sembrano condurre a Jacob, che finisce in tribunale, dove, inevitabilmente, tutte le manifestazioni della sua sindrome - l'incapacità di guardare negli occhi, i tic, i gesti compulsivi - vengono interpretate come prove di colpevolezza. Ma che cosa è successo davvero quel giorno?

(Drum Book) . 50 popular songs are presented in this collection of authentic, simple drum transcriptions, including: Another One Bites the Dust * Billie Jean * Creep * Day Tripper * Eye of the Tiger * Fight for Your Right (To Party) * Gimme Some Lovin' * How You Remind Me * I Love Rock 'N Roll * Jessie's Girl * Kryptonite * Livin' on a Prayer * One Headlight * Plush * Rock and Roll All Nite * Sweet Home Alabama * Takin' Care of Business * With or Without You * and many more. Drum kit legends and lyric cues are also included.

Just in time for Halloween! Find sundry novelties, flaps, facsimiles, and more in a haunting--or is it haunted?--volume that gives new meaning to the term ghost writer. Have you been hearing strange footsteps and knocks, whispers and rattling chains? Perhaps the early-twentieth-century author of this newly discovered tome has some secrets to share. Within the book's weathered pages you'll hear of a headless French pirate in search of his missing noggin, a vanishing pair of young trickster twins, a ghostly woman who screams for attention, and other communications from the "fun side." Readers who wish to plumb the mysteries of the paranormal will find some hands-on challenges to lift their spirits, along with tips on a range of spectral subjects, such as what to pack in a ghostologist's field kit, how to distinguish the types of ghosts, the best ways to hunt them, and spotting the unfortunate fakes and frauds. Too bad the late author never got to see her guide find its way into the world! But wait--what are those strange and scratchy asides that appear in odd places throughout the book?

The Black Pearl unfolds into a three-dimensional pop-up in this novelty title for kids 4-8. Press-out sheets supply the kids with their favorite characters from the films so they can re-live all their favorite scenes aboard the cursed ship. All the artwork will be done in an appealing, animated style kids will love.

The #1 New York Times bestselling sequel to Sarah J. Maas's stunning and seductive A Court of Thorns and Roses.
