A young Inca girl succeeds where her brothers and others have failed, when her bird friends help her find the special water that will cure the king's son.

Alex and Conner Bailey's world is about to change. When the twins' grandmother gives them a treasured fairy-tale book, they have no idea they're about to enter a land beyond all imagining: the Land of Stories, where fairy tales are real. But as Alex and Conner soon discover, the stories they know so well haven't ended in this magical land – Goldilocks is now a wanted fugitive, Red Riding Hood has her own kingdom, and Queen Cinderella is about to become a mother! The twins know they must get back home somehow. But with the legendary Evil Queen hot on their trail, will they ever find the way? The Land of Stories: The Wishing Spell brings readers on a thrilling quest filled with magic spells, laugh-out-loud humour and page-turning adventure.

'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

Alice Devlin is in serious trouble. To punish her for ruining her brother Max's wedding, her father has made a pact with a handsome English dom to chastise her. Alice is taken to England, where she is the latest addition to a strange 'farm' filled with beautiful and naked men and women. There are the mysterious 'rabbits', 'hens', 'horses' and 'cows' – all of whom must play their respective submissive roles at the farm. Which part will Alice play, and will her explosive temperament allow her to submit to what must be done to her nubile and untamed body? This 11000 word BDSM novelette is the second volume of the 'Alice BDSM' series. Alice Devlin is a standout Machiavellian character from 'The Initiation 2' and 'The Initiation 3' series, which have sold well over 120,000 copies.

This volume surveys the history of printmaking with a particular focus on artists and works that expanded the boundaries of various media, including woodcuts, etchings, engravings, lithographs, mezzo-tints, screen prints and more, right up to the digital and photographic processes of today. Originally published in hardback in 2000 this title received excellent reviews. Now republished in paperback making it more accessible to an even wider market 84 colour illustrations
