state-created danger and deliberate indifference. School administrators can quickly find guidance on issues such as: Staff selection and evaluation Student rights and discipline Special education and IDEA regulations Copyright law Search and seizure Sexual harassment and exploitation

The go-to legal resource for today's principals! New technology and world events have upended everything we once took for granted about schools, including the laws and policies that govern them. School safety concerns, curriculum challenges, the ever-changing landscape of social media, and the 2020/2021 COVID-19 crisis have made school leadership an infinitely more complex arena. Familiarity with the law is essential to help principals maintain safe and equitable communities and minimize legal risk. The 4th edition of *The Principal's Quick-Reference Guide to School Law* provides the go-to help principals need to increase their knowledge of education law in this time of change. Within its pages, leaders can access tools to help them make better decisions when educational law related issues impact their schools. Readers will find A completely revamped design for easier reference Practical examples to help demystify complex cases Updated cases studies from 2014 to today Guidance on new topics, such as vaping, sexting, student protests and walkouts An "Education Law 101 for Teachers" section to

Written for new and aspiring principals in a quick-access, bulleted format, this handbook is an excellent off-the-shelf reference, organized into five key management sections.

More than ever, this third edition of the best-selling *Writing Meaningful Evaluations-Right Now!!* is vital tool for every busy administrator! In an era of increasing demands for quality performance-based evaluations, this book offers supervisors a diverse bank of areas to address during an evaluation plus sample phrases to assist in describing a teacher's performance. By supplying users with quick and efficient tools for writing fact-filled and comprehensive teacher evaluations, the book empowers educators to verbalize their goals and vision for their schools. Updated throughout, this essential reference guide provides sample evaluations, forms, performance proficiency statements, and a timesaving CD-ROM with forms that can be easily customized. The book greatly enhances administrators' capacity for monitoring, assessing, and documenting instructional performance by providing tools for developing evaluations that are individualized and that

provide an accurate, meaningful record for both administrators and staff.

This book is designed to inform school administrators regarding school law. As a resource, it provides suggested, easy-to-understand guidelines for the avoidance of litigation. Subjects include preventive law and risk management; constitutional and statutory foundations of staff selection, contracting, and evaluation; negligent hiring, defamation, and referencing; performance evaluation; teachers' constitutional rights and terms and conditions of employment; students' rights; student discipline; the principal's responsibilities in providing special education services; academic issues and student records; copyright law; search and seizure; the principal's responsibilities in program management; sexual harassment; and the principal's tort liability for negligence as applied to expected duty and standards of care. Each chapter and section is presented in a template format for ease in locating answers to questions that arise in a particular situation. The book contains a quick-reference guide by subject, lists state Web sites for accessing state-specific education laws in the introductory chapter, and concludes with two resources (appendices) containing selected provisions from the U.S. Constitution that are of particular interest to educators. Also included is a listing, by
