chock full of advice,
What Works for Women
at Work is an
indispensable guide for
working women. An
essential resource for
any working woman,
What Works for Women
at Work is a
comprehensive and
insightful guide for
mastering office politics
as a woman. Authored
by Joan C. Williams,

Where To Download

one of the nation's most-cited experts on women and work, and her daughter, writer Rachel Dempsey, this unique book offers a multi-generational perspective into the realities of today's workplace.

Often women receive messages that they have only themselves to blame for failing to get ahead—Negotiate more!

Where To Download

Stop being such a wimp! Stop being such a witch! What Works for Women at Work tells women it's not their fault. The simple fact is that office politics often benefits men over women. Based on interviews with 127 successful working women, over half of them women of color, What Works for Women

Where To Download

at Work presents a toolkit for getting ahead in today's workplace. Distilling over 35 years of research, Williams and Dempsey offer four crisp patterns that affect working women: Prove-It-Again!, the Tightrope, the Maternal Wall, and the Tug of War. Each represents different challenges and requires different

Where To Download

strategies—which is why women need to be savvier than men to survive and thrive in high-powered careers.

Williams and Dempsey's analysis of working women is nuanced and in-depth, going far beyond the traditional cookie-cutter, one-size-fits-all approaches of most career guides for

Where To Download

women. Throughout the book, they weave real-life anecdotes from the women they interviewed, along with quick kernels of advice like a “New Girl Action Plan,” ways to “Take Care of Yourself”, and even “Comeback Lines” for dealing with sexual harassment and other difficult situations.

Where To Download

This handbook provides an overview and synthesis of relevant literature related to the issue of the well-being of working women. This focus addresses a gap that currently exists in the quality-of-life and well-being fields. The work of the authors answers the following broad questions: Does gender matter in the

Where To Download

well-being of working women? Do prejudices against and stereotypes of women still play a role in inter-personal interactions in the workplace that could hinder women from flourishing professionally? Does the organizational context, such as organizational culture, reward systems, and leadership,

Where To Download

contribute to the well-being of working-women? What impact does the national context have on the well-being of working women? And finally, how can public policies help enhance the well-being of working women? These are important issues for academics, researchers, and graduate students

Where To Download

interested in gender issues in the fields of management, sociology, psychology, social psychology, economics, and quality of life studies. Policy makers and practitioners will also find this book beneficial. Equitable treatment and outcomes for all, regardless of gender, remains a challenging goal to

Where To Download

achieve, with various barriers in different contexts and different cultures, and this book provides strong coverage of this important topic of well-being of working women.
