According to Musgrave, the scope of public finance embraces the following three functions of the government ' s budgetary policy confined to the fiscal department: The Allocation Branch. The Distribution Branch, and. The Stabilisation Branch. These refer to three objectives of budget policy, i. e., the use of fiscal instruments:

As a former student and colleague of Richard Musgrave, it is a great pleasure for me to deliver this Richard Musgrave Lecture. With his broad perspective and deep understanding of economic theory and institutions, Richard defined the field of public finance as it is understood today, and we are all greatly in his debt.

Public Finance in Practice and Theory

The economics of public finance is fundamentally concerned with the process of raising and dispersion of funds for the functioning of the government. Thus, the study of public revenue and public expenditure constitutes the main division in the study of public
