Federici

women is a structural element of the new forms of capitalist accumulation. These processes are founded on the destruction of people's most basic means of reproduction.

Like at the dawn of capitalism, what we discover behind today's violence against women are processes of enclosure, land

Read Book Revolution At

dispossession, and the remolding of women's reproductive activities and subjectivity. As well as an investigation into the causes of this new violence, the book is also a feminist call to arms.

Federici's work provides new ways of understanding the methods in which women are resisting victimization and offers

Read Book Revolution At

a powerful reminder
that reconstructing the
memory of the past is
crucial for the struggles
of the present.

Struggle Silvia
Silvia Federici is one of
the most important
contemporary theorists
of capitalism and
feminist movements. In
this edited collection of
her work spanning over
twenty years, she

Read Book Revolution At

Point Zero provides a detailed history and critique of the politics of the commons from a feminist perspective. In her clear and combative voice, Federici provides readers with an analysis of some of the key issues and debates in contemporary thinking on this subject. Drawing on rich historical research, she maps the

Read Book Revolution At

connections between the previous forms of enclosure that occurred with the birth of capitalism and the destruction of the commons and the "new enclosures" at the heart of the present phase of global capitalist accumulation.

Considering the commons from a feminist perspective, this

Read Book Revolution At

Point Zero collection centers on women and reproductive work as crucial to both our economic survival and the construction of a world free from the hierarchies and divisions capital has planted in the body of the world proletariat. Federici is clear that the commons should not be understood as happy

Read Book Revolution At

islands in a sea of
exploitative relations but
rather autonomous
spaces from which to
challenge the existing
capitalist organization of
life and labor.
